Mason's Retreat Christopher Tilghman, 2012-04-24 The Mason family returns to America from England where they try to recoup their economic losses by moving to Edward Mason's ancestral home in Maryland where he plans to take up farming

On the Tobacco Coast Christopher Tilghman, 2024-04-16 The culmination of Christopher Tilghman's great Chesapeake saga a story spanning four centuries of an American family It is the Fourth of July 2019 and the Mason family is gathering at their historic Chesapeake farm Mason's Retreat It isn't everyone's favorite party but Harry Mason has once again goaded his wife Kate and their children into hosting a celebratory dinner Their oldest Rosalie is having trouble with her marriage the youngest Ethan is in the throes of a fitful first relationship In between Eleanor despairs over her stalled novel a fictionalized memoir of the wife of the first Mason settler who landed there in 1659 Kate recovering from a second round of chemotherapy is at the center of this ritual of remembrance Tart and candid she asks her husband What crime against humanity did your family not commit on that land And so it is more or less inevitable that when the clan joined by a cast of neighbors and French cousins sits down for dinner the question of how they should think and feel about their past comes to the fore Told with irony and deep insight *On the Tobacco Coast* is Christopher Tilghman's concluding meditation on the themes of his novels about this ancestral monument pride and shame in its long history the persistence of family stories race and privilege the enigmas and customs of regions It reflects on the state of America today with its battles over its own history and efforts

to reckon with the wrongs of the past while looking forward to an uncertain more just future
