The Road to Wanting Wendy Law-Yone, 2010-04-01 **China Handbook**, 1937 *Virginia Reports*, 1903 An Old Boy's Yarns, Or, School Tales for Past and Present Boys Harold Avery, 1895 Reports of Cases in the Supreme Court of Appeals of Virginia Virginia. Supreme Court of Appeals, 1857 Some vols also contain reports of cases in the General Court of Virginia *Caring for Community* Marijke Denger, 2018-12-12 *Caring for Community Towards a New Ethics of Responsibility in Contemporary Postcolonial Novels* focuses on four highly acclaimed publications in order to argue for a new understanding of community and its ethical framework in recent literary texts Traditionally community has been understood to function on the basis of individuals readiness to establish relationships of reciprocal responsibility This book however argues that community and non reciprocity need not be mutually exclusive categories Examining works by leading contemporary postcolonial authors and reading them against Judith Butler's post 9/11 concept of global political community the book explores how concrete acts of responsibility can be carried out in recognition of various others even and precisely when those others cannot be expected to respond The literary analyses draw on a rich theoretical framework that includes approaches to care hospitality and the ethical encounter between self and other Overall this book establishes that the novels protagonists by investing in an ethics of responsibility that does not require reciprocity acquire the agency to envisage new forms of community By reflecting on the nature and effect of this agency and its representation in contemporary literary texts the book also considers the role of postcolonial studies in addressing highly topical questions regarding our co-existence with others *Halfway Gone* Mike Ryan, Thrower is in the small town of Redgate finishing up a case Or so he thought Just as he's about to leave town he's attacked drawing him back in to figure out what is going on and whether he's really as done with his case as he thought he was As Thrower tries to unravel the mystery he gets thrown even deeper into a mess Murder arson a jail stint and someone trying to kill him multiple times There's no shortage of obstacles on Thrower's plate There's something going on in Redgate and it's someone with power behind it But will Thrower be able to figure out who that is before his client pays the ultimate price **The Nate Thrower Series Books 1-4** Mike Ryan, Nate Thrower is the best bodyguard in the business Whether he's helping The Silencer or The Eliminator or working on his own cases there is nobody better If you need a bodyguard there's one man that rises above the rest Nate Thrower The Bodyguard Nate Thrower is in Mexico barely finished with one job when another one literally shows up at his doorstep He's hired by Manuel Ortiz a wealthy CEO who's been receiving threats The threats soon escalate into violence with everyone in Ortiz family now directly in danger People are getting hurt With things spiraling out of control Thrower makes a call to an old friend to help him out of the jam Together they'll silence their opponents and eliminate the threat All In Thrower is hired by Logan Yarbrough who is the agent for model Monica St James She has been receiving threats but she's also scheduled to leave the country to go on some photo shoots across Europe While Thrower and St James don't mix well at first they soon develop an affection for each

other While in Europe they re in almost constant danger And in order to get out of this he s going to have to figure out who s behind the threats on St James life Once he does the answer is surprising and not what he suspected But he ll do what it takes to protect his client and take the fight to his enemies no matter what it takes Whatever It Takes A photographer and his girlfriend hire Thrower for protection after a few questionable incidents But it doesn t take Thrower long to get knee deep into things as he gets involved before he even really knows what s happening As The Bodyguard protects his clients he starts to unravel what the attackers really want It s assumed the photographer took pictures of something he wasn t supposed to but it goes much deeper than that For Thrower he ll do whatever it takes to protect them and find out what the truth really is Halfway Gone Thrower is in the small town of Redgate finishing up a case Or so he thought Just as he s about to leave town he s attacked drawing him back in to figure out what is going on and whether he s really as done with his case as he thought he was As Thrower tries to unravel the mystery he gets thrown even deeper into a mess Murder arson a jail stint and someone trying to kill him multiple times There s no shortage of obstacles on Thrower s plate There s something going on in Redgate and it s someone with power behind it But will Thrower be able to figure out who that is before his client pays the ultimate price
