"HARDCORE ACTION AND SUSPENSE."
Jackson Clarion-Ledger

An aerial night photograph of the United States Capitol building in Washington, D.C. The building is brightly lit with warm yellow lights, contrasting with the dark blue and black of the night sky. The image has a significant motion blur effect, with streaks radiating from the center, giving it a sense of high speed and action. The entire scene is framed within a dark, rounded rectangular border that resembles a window or a screen.
