Delany, Jack Vance, 2019-11-05 Celebrate classic novels of the New Wave era of sci-fi with this second collectable science fiction anthology from Library of America. Presenting 4 underrated science fiction classics from a tumultuous time in American history including works by iconic Black author Samuel R. Delany and feminist Joanna Russ. In R. A. Joanna Russ introduces one of SF's first and most engaging female adventurers in her taut and edgy debut novel *Picnic on Paradise* 1968 the tough sardonic unforgettable Alyx, an ancient Phoenician mercenary teleported into the future to serve as guide and bodyguard for a band of stranded space tourists. The first African American writer to make a name for himself in the genre Samuel R. Delany was hailed as the best science fiction writer in the world on the basis of *Nova* 1968 a white hot fast-paced proto-cyberpunk interstellar adventure featuring a misfit crew on a high stakes quest. Produce, Price and Promote Your Self-Published Fiction or Non-fiction Book and e-Book Paul Lima, 2013-07 If you are interested in this book I presume you have written a book or plan to write one and are thinking of self-publishing it. If so this is the place to start. If you self-publish a non-fiction book of interest to a defined target market or a book of fiction for people who read the genre you have produced you can begin to promote it to interested readers. I have sold close to 10 000 books. So while I'm not E. L. James author of the originally self-published *50 Shades of Grey* I am a happy and profitable self-published author. Perhaps you can become one too. Having said that your desire to self-publish may not be all about book sales. You may be looking to write a book to give to family and friends. You may be looking to gain the credibility that publishing a book gives a speaker or workshop leader. You may have other reasons for publishing your book. No matter your reason this book will answer many of your self-publishing questions, point you in the right direction and get you started. In short as the title says this book will help you produce, price and promote your self-published book.
