

What Does My Family Mean To You Essay

This essay is about how my family has raised me since the day that I was born. Also, I will talk about my illness and the community around me how they have helped me throughout life. "My family" one of the best words that I love, because my family has raised me since I was born. Coming out to the world and starting to develop my body system as the years move on has been great. Thanks to them coming to visit me in the hospital, because if I was lonely chances are that I would even be in the hospital still or something else would of happened. That is why I am enjoyable on having those close neighbors and friends because they are capable of helping one another.

I would want the rep to know how my illness made my [family](#) raise me differently, and how my community has also been part of helping me. It will be good for them to know all this because it shows
