

By God's grace, I am becoming a woman of courage, a woman of strength, a woman of self-discipline. A woman of diligence. A woman of wisdom and discernment, a woman of compassion, a woman of beauty ~ true beauty ~ the unfading beauty of a gentle and quiet spirit. A woman who loves much, because she has been forgiven much. A woman who takes refuge in God alone. A woman of valor who does not run from the battle, but to it, fearlessly, relentlessly determined ~ through her obedience ~ to defeat the enemy and bring victory to herself and her people, to the glory of God and His eternal kingdom.

Woman, You Are Highly Favoured by God Esther S. Ripiye,2012-08-08 Religious belief has over the years had a great influence on the status and history of women especially in the ministry From the earliest days of the New Testament Church and up till present most Christians have misinterpreted the scriptures on the basis of 1 Timothy 2 11 12 which says Let a woman learn in silence with all submissiveness I permit no woman to teach or to have authority over men she is to keep silent This passage has been used by many churches to place certain restrictions on the ministry of women This has given rise to many debates in the church and restricted many women from fulfilling their leadership call It is therefore important to dispel the myths about the role of women and open our eyes to what the Bible really says concerning this This is not about having dominance but every Christian needs to flow in the Holy Spirit to enable their gifts and calling to bring the kingdom of God to earth This book contains the study of Seventy Two Women of the Bible It gives us the details of their lives roles character and influence It also shows how God used them in the past and still uses us as women to advance His kingdom on earth The knowledge of the scripture is imperative The book also shows how to build confidence in the word of God releasing ourselves for the Holy Spirit to flow through us so that the knowledge of the scriptures can operate in our purpose gifts talents and calling in Christ The authors writing is well documented based on revelation of the word her leadership role over the years and from her studies of the role of women in the bible that have span for over 3 decades The book brings honest and scriptural truth on crucial questions regarding to leadership and teaching role of women in the church It shows how Jesus related and affirms the role of women in the kingdom This book is highly recommended for all Christians who are passionate about the true teachings of the scriptures and the roles God expects men and women to play in unity for the advancement of the kingdom

M. McDonald,2021-05-06 Amazingly dating is like a lion in the jungle where every guy likes different things about a woman This book is a guide for women on the subject of dating and was written to empower women with their God given spirit relating to dating This book opens the possibility of being used in a woman s study group When a man is looking for the one they know what they like and want So to all women reading this be yourself love yourself and see who you are and what you want A woman should not change for a man We as women have much more freedom in making decisions about dating COVID 19 occurred in March God s whisperings and my own everyday dating experiences led to this literary work This writing body

was a therapeutic writing exercise for me which metamorphosized into a guide or handbook for others Yes it relates to women but a man could easily read it and understand one woman s point of view After all dating is about communication and a two way exchange I wish I would have had this to read before dating so that I was more prepared thinking and ready to choose the best dating experiences Historically women passed on to their children male and female the critical details and traditions of dating through storytelling and wise anecdotes called oral tradition The writing unfolded by the grace of God and I am thankful It is my sincerest hope that this book is a guide for healthy dating and may it lead each woman into self introspection so they can experience healthy dating Be confident talk to God and share your wishes fears and joys too Listen to the messages God sends you as a cue and act according to his will for you because he wants what is best for you God truly wants you to be happy
