African Armed Forces Journal, 2005-02 *Silencing the Guns in Africa* Antonio Garcia, Jacob Udo-Udo Jacob, 2025-03-14 The scholarship of this book is drawn from local and international experts by framing critically a number of discourses on matters of security conflict violence and peace on the African continent It is indeed a breath of fresh air to the scientific community largely because it contributes to the on going debates on security issues Dr Ntsikelelo Benjamin Breakfast Director of the Center for Security Peace and Conflict Resolution at Nelson Mandela University This book makes a deep contribution to scholarly literature on conflict studies peacekeeping and peacebuilding in Africa Written largely from the perspective of the applied social sciences it is empirically rich and offers refreshing insights into social behaviour in military contexts This is a timely contribution because current public discourse in South Africa is centred on the gains and missed opportunities of thirty years of democracy and new lenses are welcome Many of the chapters reflect South African experiences This is to be welcomed as it demonstrates that scholars and practitioners from the country are reflecting on the complexities of South African experiences of defence and security matters in contemporary times Dr Sandy Africa Director of Research at Mapungubwe Institute for Strategic Reflection MISTRA This volume brings together the voices of scholars and practitioners a diverse group of writers who are passionate about and committed to creating a safer more prosperous and peaceful Africa Each with their own specialism this work combines many different world views and approaches Conflict in Africa is an impossibly broad topic to cover in a single edited publication and so we focus on a select number of case studies expositions and themes **ISSUP : Bulletin**, 2006 *South Africa* Murray Faure, Jan-Erik Lane, 1996-08-15 The Republic of South Africa RSA held its first fully democratic elections in April 1994 They were a highly visible signal that the RSA is really moving from the era of apartheid towards a democratic constitutional state The process is an archetypal case of a negotiated transition of a regime and as such it is of great interest to students of constitutional mechanisms The contributors

to this book leading South African political scientists discuss the process the difficulties and the achievements in the transformation of the RSA's political and legal institutions They address various aspects of constitutional design and their interactions with social forces They examine the new constitution the roles of president and executive the electoral party and parliamentary systems and the Constitutional Court They look at the public service at questions of labour and corporatism at the RSA's changing external relations and at the position of the armed forces The new government's Reconstruction and Development Programme of which so much is expected is seen to be particularly vulnerable to the pull of opposing forces

Fighting the People's War Jonathan Fennell, 2019-01-24 Jonathan Fennell captures for the first time the true wartime experience of the ordinary soldiers from across the empire who made up the British and Commonwealth armies He analyses why the great battles were won and lost and how the men that fought went on to change the world **This Week in South Africa**, 1995 **Defending Democracy and Securing Diversity** Christian Leuprecht, 2013-09-13 Old sergeants say we're here to defend democracy not to practice it But are they right The special mandate with which defence and security organizations are tasked imposes unique constraints with respect to the accommodation of diversity which differs from those faced by any other public or private organization Yet the compound effect of demographic political economic social and legal pressures is making diversity as inevitable in the defence and security sector as in any other organization in advanced industrialized democracies Owing in part to a dearth of research on the way the defence and security sectors can leverage diversity to enhance their functional imperatives such sectors have been reticent about diversity The chapters in this volume strive to enlighten the debate by laying out the concepts clarifying theoretical issues and providing empirical evidence The case studies draw on Canada Guyana the Netherlands South Africa and the United Kingdom They examine ethno cultural gender and sexual minority diversity in a variety of missions including Bosnia Herzegovina and Afghanistan The chapters are notable for their methodological pluralism and interdisciplinary range including political science sociology anthropology and psychology Although scholarly in nature the book is readily accessible to professionals and practitioners alike This book was published as a special issue of *Commonwealth and Comparative Politics* *Ceasefire Anti-war News*, 1995 **Record on Appeal**, **The Kansas Law Journal**, 1886 Reports of Cases Decided in the Court of Appeals of the State of New York New York (State).
