When We Dead Awaken (Masterpiece Collection) a Play (Large Print) Henrik Ibsen, William Archer, 2013-10-04 From Pillars of Society to John Gabriel Borkman Ibsen's plays had followed each other at regular intervals of two years save when his indignation over the abuse heaped upon Ghosts reduced to a single year the interval between that play and An Enemy of the People John Gabriel Borkman having appeared in 1896 its successor was expected in 1898 but Christmas came and brought no rumour of a new play In a man now over seventy this breach of a long established habit seemed ominous The new National Theatre in Christiania was opened in September of the following year and when I then met Ibsen for the last time he told me that he was actually at work on a new play which he thought of calling a Dramatic Epilogue He wrote When We Dead Awaken says Dr Elias with such labour and such passionate agitation so spasmodically and so feverishly that those around him were almost alarmed He must get on with it he must get on He seemed to hear the beating of dark pinions over his head He seemed to feel the grim Visitant who had accompanied Alfred Allmers on the mountain paths already standing behind him with uplifted hand His relatives are firmly convinced that he knew quite clearly that this would be his last play that he was to write no more And soon the blow fell When We Dead Awaken was published very shortly before Christmas 1899 He had still a year of comparative health before him We find him in March 1900 writing to Count Prozor I cannot say yet whether or not I shall write another drama but if I continue to retain the vigour of body and mind which I at present enjoy I do not imagine that I shall be able to keep permanently away from the old battlefields However if I were to make my appearance again it would be with new weapons and in new armour Was he hinting at the desire which he had long ago confessed to Professor Herford that his last work should be a drama in verse Whatever his dream it was not to be realised His last letter defending his attitude of philosophic impartiality with regard to the South African war is dated December 9 1900 With the dawn of the new century the curtain descended upon the mind of the great dramatic poet of the age which had passed away

Henrik Ibsen - When We Dead Awaken Henrik Ibsen, 2013-09-18 Henrik Ibsen 20th March 1828 23rd May 1906 is often referred to as the father of realism and ranked just

below Shakespeare as Europe's greatest ever playwright especially as his plays are performed most frequently throughout the world after Shakespeare's. He was Norwegian and although set his plays in Norway he wrote them in Danish and lived most of his professional life in Italy and Germany. His affect on the theatre is still evident today and shapes the distinction of plays being art as opposed to entertainment since he broke down all previous traditions and explored issues developed characterisation revealed uncomfortable truths challenged assumptions and broke down facades in ourselves as well as society. These factors are clearly demonstrated in *When We Dead Awaken* which centres around celebrated sculptor Arnold Rubek whose fame rests with his great work *The Day of the Resurrection* which he sculpted when he was younger. The model for this piece had been Irene and although he had feelings for her he moved on and married Maia. He feels his creativity has dwindled and Irene might be able to unleash this again. Irene appears mysteriously and perceives her modelling for his work as the epitome of her life and therefore is now dead to any other experiences and has lost any respect for the sanctity of life. Ibsen's exploration of artistic intensity and integrity through this powerful relationship with its pervading images of stone demonstrates a passion for life that is unable to be realised and gives the play an ironic conclusion that is a must read.

When We Dead Awaken Henrik Ibsen, 2024-04-25 *When We Dead Awaken* by Henrik Ibsen is a poignant and introspective play that delves into themes of self discovery artistic integrity and the search for meaning in life. The play follows the story of Arnold Rubek a celebrated sculptor who feels disconnected from his art and the world around him. As he grapples with feelings of emptiness and disillusionment Rubek embarks on a journey of self exploration confronting his past and questioning the choices he has made. Through encounters with old acquaintances and new companions Ibsen explores the conflict between personal ambition and human connection as well as the sacrifices inherent in the pursuit of artistic greatness. With its introspective tone and philosophical depth *When We Dead Awaken* offers a profound meditation on the nature of art identity and the human condition. Ibsen's exploration of the tension between creativity and complacency makes *When We Dead Awaken* a timeless classic that continues to resonate with audiences today.
