kingdoms and of nations like the revolutions of day and night are generally repeated in countless and continued successions
we nevertheless in our survey of the destinies of the human race encounter single great and important events which
fertilizing like springs or devastating like volcanoes interrupt the uniform wilderness of history The more flowery the strand
the more desolating the lava the rarer and more worthy objects do they become to the curiosity of travellers and the
narratives of their guides The incredible which has never been witnessed but is nevertheless true affords the richest
materials for historical composition providing the sources be authentic and accessible Of all events the account of which
since history has been written has descended to us one of the most singular and wonderful is the establishment of the
dominion of the Assassins that which by blind subjection shook despotism to its foundations that union of impostors and
dupes which under the mask of a more austere creed and severer morals undermined all religion and morality that order of
murderers beneath whose daggers the lords of nations fell all powerful because for the space of three centuries they were
universally dreaded until the den of ruffians fell with the khaliphate to whom as the centre of spiritual and temporal power it
had at the outset sworn destruction and by whose ruins it was itself overwhelmed The history of this empire of conspirators is
solitary and without parallel compared to it all earlier and later secret combinations and predatory states are crude attempts
