Amanda Stevens (Novelist)

The Perfect Kiss:

The Perfect Kiss Anne Gracie, 2007-01-02 To rescue her friend from a loveless marriage a daring woman dons a disguise and finds herself captivated by a mysterious rake in this perfect Regency romance from award winning author Anne Gracie In three years on the marriage market Grace Merridew has never met a man whose kiss stirred her senses So she makes plans for a life of adventure instead to see the moon rise over the pyramids of Egypt and dance amid the marble ruins of Greece But first she must help a friend in need Timid Melly Pettifer is being forced to marry Dominic Wolfe who stands to inherit a huge estate if he weds The Wolfes have a terrible reputation and if there s one thing Grace cannot stand it s a bully When Melly begs for assistance in escaping her impending nuptials Grace acts as the plain and mousy chaperone on their visit to the groom to be But when they arrive nothing is as they expect and Grace is scandalized to find herself being pursued by a big bad Wolfe

The Perfect Kiss Amanda Stevens (Novelist), 1994 The eternal woman She was everything a woman could be And Zach Christopher wanted her timeless beauty as the symbol of his family s cosmetics firm But she lived in seclusion and nothing could draw her into the light not even the stunning passion that flared between them the instant they met The eternal hunger The forbidden desire for a mortal man had shaken Anya Valorian to the depths of her tortured soul But she was determined not to give in to the neverending hunger that kept her forever in the shadows For this man could know nothing of the terrible price to be paid for loving one such as she cover page 4

The Perfect Kiss , 1975 **The Perfect Kiss** S.R. Blom, 2016-09-23 This is a story about three women and how their lives intertwine When Claire and Leslie s paths crossed they had no idea they were about to find a love like never before Over the next seven years they found happiness they did not think possible until tragedy strikes and Claire fi nds herself alone and unable to forget this woman she loved so deeply Eight years later she is still alone and she assumes she will be this way for the rest of her life because she is fi nding it diffi cult to open her heart to another woman Could it be she was looking for another Leslie This was about to change Experiencing a frightening event she is rescued by Alix a dark haired beauty and fi nds herself thinking about her day and night Similarly Alix cannot forget Claire s beautiful green eyes and a laugh that resounded through her making her smile with happiness Soon they will discover that once again paths do cross for a reason Was theirs for a season or a lifetime The

Perfect Kiss Byers James Lee, 1983 **New Order** Dennis Remmer, 2023-09-11 New Order have produced some of the most influential popular music of the last 40 years A unique vision of alternative electronic rock forged in Manchester and exported to the world the band connected with the alternative minded as well as the club centric the football fan and the artist the boffin and the aesthete The journey of New Order to the world has been nothing short of incredible their punk ignited founding as Warsaw the eternally astonishing Joy Division and the rise and fall of Factory Records and The Ha ienda There were many remarkable associations including Martin Hannett Peter Saville Tony Wilson Rob Gretton Arthur Baker and Michael Shamberg There were side hustles as BeMusic Electronic Revenge The Other Two Monaco Bad Lieutenant and The

Light Then there were their tragic losses their unholy messes their resilience and most importantly the magnificent leftfield music written variously by Bernard Sumner Peter Hook Stephen Morris Gillian Gilbert Phil Cunningham and Tom Chapman This book reviews every song New Order has officially released to date across every album from Movement to Music Complete plus the many singles compilations soundtracks and other releases This book is remixed with updated and additional information from the author s hugely popular and band endorsed NewOrderTracks blog Dennis Remmer lives in Brisbane Queensland the capital city of Australia s own north a city renowned for its independent music scene A lifelong devotee of New Order Dennis has been applying their influence on a lifetime s exploration of indie electronic and alternative music Dennis and his partner Anna formed the Brisbane record label Trans Com in 1994 and in 2014 published BNE The Definitive Archive which documents the city s secret history of electronic music production **Music/Video** Gina Arnold, Daniel Cookney, Kirsty Fairclough, Michael Goddard, 2017-08-30 This book is a lively comprehensive and timely reader on the music video capitalising on cross disciplinary research expertise which represents a substantial academic engagement with the music video a mediated form and practice that still remains relatively under explored in a 21st century context The music video has remained suspended between two distinct poles On the one hand the music video as the visual sheen of late capitalism at the intersection of celebrity studies and postmodernism On the other hand the music video as art looking to a prehistory of avant garde film making while perpetually pushing forward the digital frontier with a taste for anarchy controversy and the integration of special effects into a form designed to be disseminated across digital platforms In this way the music video virally re engenders debates about high art and low culture This collection presents a comprehensive account of the music video from a contemporary 21st century perspective This entails revisiting key moments in the canonical history of the music video exploring its articulations of sexuality and gender examining its functioning as a form of artistic expression between music film and video art and following the music video s dissemination into the digital domain considering how digital media and social media have come to re invent the forms and functions of the music video well beyond the limits of music television **This Mortal Coil** Eric Forsbergh, 2023-09-28 Humans are composed by DNA and through chemical action it maintains and renews us daily This poetry book explores the many facets of our existence through the lens of our own DNA Most of us know who our fathers are but it s not that difficult to find someone who discovered in adulthood the uncomfortable truth through DNA analysis DNA determines our personal identity not counting the effects of environment The topic of DNA covers race medicine sexual attraction procreation family gender vaccines crime eye and hair and skin color COVID longevity national identity mutation relationships with parents and children beauty and ugliness and height to name a few For example the miracle of birth is accompanied by a rush of hormones ensuring the bond between mother and infant Some medical researchers are recording the DNA of large human populations which will lead to broad advances in diagnosis and treatment Some nations are recording the DNA of many or all of their citizens which will lead to

privacy invasion and police suppression As with computers such research is a double edged sword This book engages these subjects and more surrounding the central force of DNA **The Kiss and Its History** Kristoffer Nyrop,1902 The kiss and its history Kristoffer Nyrop,2019-12-09 In *The Kiss and Its History* Kristoffer Nyrop embarks on a captivating exploration of the kiss weaving together a tapestry of cultural social and historical significances attached to this seemingly simple act Through a meticulous blend of academic rigor and engaging prose Nyrop delves into the kiss s evolution from ancient rituals to contemporary expressions of affection Thematically rich the book spans diverse cultures and epochs revealing how societal norms politics and art have influenced and been influenced by this intimate gesture Nyrop s literary style reflects a keen observational acumen deftly intertwining anecdotal narratives with theoretical frameworks making the work a fascinating read for scholars and laypersons alike Kristoffer Nyrop an esteemed cultural historian has dedicated much of his career to studying human interactions and their societal implications His deep seated interest in the anthropology of affection and body language is evident throughout the text as he draws on an extensive interdisciplinary background ranging from sociology to art history Growing up in a world rife with conflicting customs around affection Nyrop s desire to unpack the layers of meaning behind the kiss resonates deeply in his scholarly work This book is highly recommended for readers interested in cultural studies anthropology or simply those curious about the intricacies of human connection *The Kiss and Its History* promises not only to enlighten but to challenge preconceived notions about intimacy making it an essential addition to any literary or academic collection New Order + Joy Division Claude Flowers,2012-02-22 Formed from the erosion of Joy Division after the suicide of Ian Curtis New Order were early pioneers of the synthesizer in dance music coupled with deep bass lines This book details the start of Factory Records and New Order s connections with Manchester s Hacienda Club of which they were part owners Also examined is the demise of Factory the band s signing to Phonogram and the solo careers of Peter Hook Barney Sumner Julian Gilbert and Steve Morris *A Compendium of Kisses* Lana Citron,2011-01-01 From first kisses to missed kisses stolen kisses the chemistry of kisses around the world kisses silver screen kisses Freudian kisses lipstick kisses and record breaking kisses this eclectic collection of facts figures quotes and curiosities has everything you ve ever wanted to know and more about that most deceptive delightful and indispensable gesture the kiss **Kiss and Tell** Kevin Dwyer,2005-11 Explores all aspects of the kiss including why people kiss why kisses are given under mistletoe and such subjects as kissing bugs French kissing and origins of phrases with kiss in them **The Art of Kissing** William Cane,2005-02-01 In *The Art of Kissing* William Cane reveals that there is more to kissing than simply locking lips Through a hundred thousand interviews he has discovered the truth about what men and women do think and feel when they kiss Their input and his expert knowledge can help you to master the secrets of great kissing With specific techniques for more than thirty types of kisses this updated and revised edition features Overcoming first kiss shyness Secrets to increasing your kissability Complete instructions on French Kissing Electric kisses neck kisses ear kisses and much more Transform your

kissing technique pucker up with passion and master The Art of Kissing today Defending Eve Adam Scott Jaffe,2013-03-11 For most people it is a struggle to learn how to give themselves completely to love Surprisingly it is his career as a divorce lawyer where author Adam Scott Jaffe learned there is no half way effort if relationships are to thrive He has truly seen behind the curtain Through his work he was able to discover a simple yet paramount secret that provides couples the greatest opportunity to follow through on their commitments to each other Jaffe s revelations in this passionate and sincere novel intend to give a couple the best opportunity to experience the most rewarding and sustainable relationship possible He focuses on the conscious decision partners in a relationship have to make to succeed Through intimate and detailed storytelling Jaffe s main character admits how he was sabotaging his own dreams for happiness He uses the lessons that he crystallized from his years as a divorce attorney to spur a complete metamorphosis of his character The ultimate lesson is uncovered it is never too late to change for love Defending Eve is inspired by true events It is not a self help book or biography Rather it is a genuine and heartfelt story that leaves the reader with many valuable lessons intended to better all relationships It is also unique because such a tender story has its source in a world affected by the acrimony of break up Ironically it is only through such a stormy environment that the light shines through There is truly bounty in such a revelation and it must be shared

Life Is the Journey David W. Markkula,2022-06-17 Life Is the Journey Saying Goodbye to 2020 2021 By David W Markkula As a way to remember events and the people he shared them with David W Markkula combines poetry and photos to preserve for all time his innermost thoughts about the world in 2020 and 2021 Markkula begins with heartfelt poetry of his parents and the impact they have had on his life and then flows into the beauty and power of our world from the chaotic forces of Mother Nature to her calm gentle hand and finally concludes with poetry of loss grief heartbreak and final goodbyes
