BRYAN-PAUL FROST

The Political Theory Of Aristophanes

Christopher Rowe, Malcolm Schofield

The Political Theory Of Aristophanes:

The Political Theory of Aristophanes Jeremy J. Mhire, Bryan-Paul Frost, 2014-04-01 Examines the political dimensions of Aristophanes comic poetry This original and wide ranging collection of essays offers for the first time a comprehensive examination of the political dimensions of that madcap comic poet Aristophanes Rejecting the claim that Aristophanes is little more than a mere comedian the contributors to this fascinating volume demonstrate that Aristophanes deserves to be placed in the ranks of the greatest Greek political thinkers As these essays reveal all of Aristophanes plays treat issues of fundamental political importance from war and peace poverty and wealth the relation between the sexes demagoguery and democracy to the role of philosophy and poetry in political society Accessible to students as well as scholars The Political Theory of Aristophanes can be utilized easily in the classroom but at the same time serve as a valuable source for those conducting more advanced research Whether the field is political philosophy classical studies history or literary criticism this work will make it necessary to reconceptualize how we understand this great Athenian poet and force us to recognize the political ramifications and underpinnings of his uproarious comedies

Socrates and the Political Community Mary P. Nichols, 1987-07-01 This book takes a fresh look at Socrates as he appeared to three ancient writers Aristophanes who attacked him for his theoretical studies Plato who immortalized him in his dialogues and Aristotle who criticized his political views It addresses the questions of the interrelation of politics and philosophy by looking at Aristophanes Clouds Plato's Republic and Book II of Aristotle's Politics three sides of a debate on the value of Socrates philosophic life Mary Nichols first discusses the relation between Aristophanes and Plato showing that the city as Socrates place of activity in the Republic resembles the philosophic thinktank mocked in Aristophanes Clouds By representing the extremes of the Republic's city Plato shows that the dangers attributed by Aristophanes to the city are actually inherent in political life itself They were to be moderated by Socratic political philosophy rather than Aristophanean comedy Nichols concludes by showing how Aristotle addressed the question at issue between Plato and Aristophanes when he founded his political science Judging Plato's and Aristophanes positions as partial Nichols argues that Aristotle based his political science on the necessity to philosophy of political involvement and the necessity to politics of philosophical thought

Brill's Companion to Leo Strauss' Writings on Classical Political Thought, 2015-08-04 Brill's Companion to Leo Strauss Writings on Classical Political Thought offers clear accessible essays to assist a new generation of readers in their introduction to Strauss writings on the ancients and to deepen the understanding of those who have already benefitted from his work Strauss rediscovered esoteric writing His careful explications of works by classical thinkers of Socratic political philosophy pre Socratic philosophers and of poets tragic and comic have therefore opened those works up in a way that had been lost for centuries Yet Strauss writings especially his later works make considerable demands on any reader These essays are written by scholars who bring to bear on their reading of Strauss many years of study

The Cambridge History of Greek and Roman Political Thought

Christopher Rowe, Malcolm Schofield, 2000-05-11 A definitive reference work on Greek and Roman political thought from the age of Homer to late antiquity first published in 2000

Eros and Polis Paul W. Ludwig, 2002-10-21 Eros and Polis examines how and why Greek theorists treated political passions as erotic Because of the tiny size of ancient Greek cities contemporary theory and ideology could conceive of entire communities based on desire A recurrent aspiration was to transform the polity into one great household that would bind the citizens together through ties of mutual affection In this study Paul Ludwig evaluates sexuality love and civic friendship as sources of political attachment and as bonds of political association Studying the ancient view of eros recovers a way of looking at political phenomena that provides a bridge missing in modern thought between the private and public spheres between erotic love and civic commitment Ludwig's study thus has important implications for the theoretical foundations of community

The Politics of Socratic Humor John Lombardini, 2018-08-24 Was Socrates an ironist Did he mock his interlocutors and in doing so show disdain for both them and the institutions of Athenian democracy These questions were debated with great seriousness by generations of ancient Greek writers and helped to define a primary strand of the western tradition of political thought By reconstructing these debates The Politics of Socratic Humor compares the very different interpretations of Socrates developed by his followers including such diverse thinkers as Plato Aristotle Xenophon Aristophanes and the Hellenistic philosophers to explore the deep ethical and political dimensions of Socratic humor and its implications for civic identity democratic speech and political cooperation Irony has long been seen as one of Socrates most characteristic features but as Lombardini shows irony is only one part of a much larger toolkit of Socratic humor the broader intellectual context of which must be better understood if we are to appropriate Socratic thought for our own modern ends

Trump and Political Philosophy Angel Jaramillo Torres, Marc Benjamin Sable, 2018-06-12 This book aims to recover from ancient and modern thinkers valuable arguments about statesmanship leadership and tyranny which illuminate reassessments of political science and practice after the election of Donald Trump Like almost everyone else contemporary political scientists were blind sided by the rise of Trump No one expected a candidate to win who repeatedly violated both political norms and the conventional wisdom about campaign best practices Yet many of the puzzles that Trump's rise presents have been examined by the great political philosophers of the past For example it would come as no surprise to Plato that by its very emphasis on popularity democracy creates the potential for tyranny via demagoguery And perhaps no problem is more alien to empirical political science than asking if statesmanship entails virtue or if so in what that virtue consists This is a theme treated by Plato Aristotle and Machiavelli among others Covering a range of thinkers such as Confucius Plutarch Kant Tocqueville and Deleuze the essays in this book then seek to place the rise of Trump and the nature of his political authority within a broader institutional context than is possible for mainstream political science

The Rhetoric of Unity and Division in Ancient Literature Andreas N. Michalopoulos, Andreas Serafim, Flaminia Beneventano della Corte, Alessandro Vatri, 2021-01-18 This volume comprising 24

essays aims to contribute to a developing appreciation of the capacity of rhetoric to reinforce affiliation or disaffiliation to groups To this end the essays span a variety of ancient literary genres i e oratory historical and technical prose drama and poetry and themes i e audience speaker laughter emotions language gender identity and religion *Studies on the Reception of Plato and Greek Political Thought in Victorian Britain* Kyriakos Demetriou,2023-04-14 This collection of essays focuses on the reception of Plato and Greek political thought in the work of some major pre Victorian classical scholars and expands on a remarkable range of hotly debated issues on the interpretation of Greek antiquity The central figure in this volume is the radical philosopher utilitarian and Platonist George Grote whose works on the history of Greece and Plato moved away from traditional models of classical interpretation His works and their background are critically explored in light of his philosophical commitment and political radicalism Article IV brings to light a forgotten manuscript by Grote On the Character of Socrates produced in the 1820s Grote sought to counter the current literature on ancient Greece and its predominant motifs which is here examined in its own right along with an independent study on Bishop Connop Thirlwall s influential History of Greece The second half of this volume is devoted to analyzing important aspects of the revival of Platonic studies in the ideological and discursive context of early and middle Victorian times This collection of essays presents comprehensive and illuminating contextual analyses of nineteenth century works on classical reception providing simultaneously a rich bibliographic guide to further research *Poet and Orator* Andreas Markantonatos,Eleni Volonaki,2019-04-01 This multiauthored volume as well as bringing into clearer focus the notion of drama and oratory as important media of public inquiry and critique aims to generate significant attention to the unified intentions of the dramatist and the orator to establish favourable conditions of internal stability in democratic Athens We hope that readers both enjoy and find valuable their engagement with these ideas and beliefs regarding the indissoluble bond between oratorical expertise and dramatic artistry This exciting collection of studies by worldwide acclaimed classicists and acute younger Hellenists is envisaged as part of the general effort almost unanimously acknowledged as valid and productive to explore the impact of formalized speech in particular and craftsmanship rhetoric in general upon Attic drama as a moral and educational force in the Athenian city state Both poet and orator seek to deepen the central tensions of their work and to enlarge the main themes of their texts to even broader terms by investing in the art of rhetoric whilst at the same time through a skillful handling of events evaluating the past and establishing standards or ideology **Utopian Drama** Siân Adiseshiah,2022-10-06 Shortlisted for The TaPRA David Bradby Monograph Prize 2023 As the first full length study to analyse utopian plays in Western drama from antiquity to the present Utopian Drama In Search of a Genre offers an illuminating appraisal of the objectives of utopianism as manifested in drama through the ages and carefully ascertains the added value that live performance brings to the persuasion of utopian thought Si n Adiseshiah scrutinises the distinctive intervention of utopian drama through its examination alongside the utopian prose tradition in this way the book establishes

new ways of approaching utopian aesthetics and new ways of interpreting utopian drama This book provides fresh understandings of the generic features of utopian plays identifies the gains of establishing a new genre and ascertains ways in which this genre functions as political theatre Referring to over 40 plays of which 18 are examined in detail Utopian Drama traces the emergence of the utopian play in the Western tradition from ancient Greek Comedy to experimental contemporary work Works discussed in detail include plays by Aristophanes Margaret Cavendish George Bernard Shaw Howard Brenton Claire MacDonald Cesi Davidson and Mojisola Adebayo As well as offering extended attention to the work of these playwrights the book reflects on the development of utopian drama through history notes the persistent features tropes and conventions of utopian plays and considers the implications of their registration for both theatre studies and utopian studies

Utopias in Ancient Thought Pierre Destrée, Jan Opsomer, Geert Roskam, 2021-08-23 This collection deals with utopias in the Greek and Roman worlds Plato is the first and foremost name that comes to mind and accordingly 3 chapters J Annas D El Murr A Hazistavrou are devoted to his various approaches to utopia in the Republic Timaeus and Laws But this volume s central vocation and originality comes from our taking on that theme in many other philosophical authors and literary genres The philosophers include Aristotle Ch Horn but also Cynics S Husson Stoics G Reydam's Schils and Cicero S McConnell Other literary genres include comedic works from Aristophanes up to Lucian G Sissa S Kidd N I Kuin and history from Herodotus up to Diodorus Siculus T Lockwood C Atack I Sulimani A last comparative chapter is devoted to utopias in Ancient China D Engels

Leo Strauss and His Legacy John Albert Murley, 2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo

Corrupting Youth J. Peter Euben, 1997-08-18 In *Corrupting Youth* Peter Euben explores the affinities between Socratic philosophy and Athenian democratic culture as a way to think about issues of politics and education both ancient and modern The book moves skillfully between antiquity and the present from ancient to contemporary political theory and from Athenian to American democracy It draws together important recent work by political theorists with the views of classical scholars in ways that shine new light on significant theoretical debates such as those over discourse ethics rational choice and political realism and on political issues such as school vouchers and education reform Euben not only argues for the generative capacity of classical texts and Athenian political thought he demonstrates it by thinking with them to provide a framework for reflecting more deeply about socially divisive issues such as the war over the canon and the politicization of the university Drawing on Aristophanes Clouds Sophocles Antigone and Oedipus Tyrannos and Plato s Apology of Socrates Gorgias and Protagoras Euben develops a view of democratic political education Arguing that Athenian democratic practices constituted a tradition of accountability and self critique that Socrates expanded into a way of doing philosophy Euben suggests a necessary

reciprocity between political philosophy and radical democracy By asking whether we can or should take Socrates out of the academy and put him back in front of a wider audience Euben argues for anchoring contemporary higher education in appreciative yet skeptical encounter with the dramatic figure in Plato's dialogues

Ancient Comedy and Reception S. Douglas Olson, 2013-12-12 This wide ranging collection consisting of 50 essays by leading international scholars in a variety of fields provides an overview of the reception history of a major literary genre from Greco Roman antiquity to the present day Section I considers how the 5th and 4th century Athenian comic poets defined themselves and their plays especially in relation to other major literary forms It then moves on to the Roman world and to the reception of Greek comedy there in art and literature Section II deals with the European reception of Greek and Roman comedy in the Medieval Renaissance and Early Modern periods and with the European stage tradition of comic theater more generally Section III treats the handling of Greco Roman comedy in the modern world with attention not just to literary translations and stage productions but to more modern media such as radio and film The collection will be of interest to students of ancient comedy as well as to all those concerned with how literary and theatrical traditions are passed on from one time and place to another and adapted to meet local conditions and concerns

Silence and Democracy John Zumbrennen, 2010-11-16 The role of elites vis vis the mass public in the construction and successful functioning of democracy has long been of central interest to political theorists In *Silence and Democracy* John Zumbrennen explores this theme in Thucydides famous history of the Peloponnesian War as a way of focusing our thoughts about this relationship in our own modern democracy In Periclean Athens according to Thucydides what was in name a democracy became in actuality rule by the first man This political transformation of Athenian political life raises the question of how to interpret the silence of the demos Zumbrennen distinguishes the silence of contending voices from the collective silence of the demos and finds the latter the more difficult and intriguing problem It is in the complex interplay of silence speech and action that Zumbrennen teases out the meaning of democracy for Thucydides in both its domestic and international dimensions and shows how we may benefit from the Thucydidean text in thinking about the ways in which the silence of ordinary citizens can enable the domineering machinations of political elites in America and elsewhere today

Conspiracy/Theory Joseph Masco, Lisa Wedeen, 2023-12-01 In an era of intensified information warfare ranging from global disinformation campaigns to individual attention hacks what are the compelling terms for political judgment How are we to build the knowledge needed to recognize and address important forms of harm when critical information is either not to be trusted or kept hidden Rather than approach conspiratorial narrative as an irrational response to an obviously decipherable reality Conspiracy Theory identifies important affinities between conspiracy theory and critical theory It recognizes the motivation people have in their capacities as experts theorists and ordinary citizens to search for patterns in events to uncover what is covert and attend to dimensions of life that might be hiding in plain sight If it seems strange that so many find themselves living in incommensurable disorienting realities the multidisciplinary contributors to

Conspiracy Theory explore how and why that came to be Across history and geography contributors inquire into the affects and imaginaries of political mobilization tracking counterrevolutionary projects while acknowledging collective futures that demand conspiratorial engagement Contributors Nadia Abu El Haj Hussein Ali Agrama Kathleen Belew Elizabeth Anne Davis Joseph Dumit Faith Hillis Lochlann Jain Demetra Kasimis Susan Lepselter Darryl Li Louisa Lombard Joseph Masco Robert Meister Timothy Melley Rosalind C Morris George Shulman Lisa Wedeen

Social Psychology and the Ancient World

,2025-06-13 Social Psychology and the Ancient World Methods and Applications fosters an interdisciplinary dialogue between classics and social psychology Classicists use modern social psychological insights to interpret ancient texts while social psychologists engage with classical case studies to refine their own conceptual frameworks This dialogue unfolds through an innovative structure thematic sections introduced by social psychologists are paired with wide ranging case studies by classicists covering topics such as the psychology of tragic characters comedic group dynamics and the cognitive processes at play in oracles and deification The volume offers methodological guidance for reconstructing the social psychology of past societies addressing questions like How did ancient Greeks understand character How did laughter shape social cohesion What role did emotional contagion play in narratives How did ancient societies accommodate religious innovation And above all how do we know and how can we properly investigate such questions

Greek Comedy and Ideology David

Konstan,1995-04-06 In comedy happy endings resolve real world conflicts These conflicts in turn leave their mark on the texts in the form of gaps in plot and inconsistencies of characterization Greek Comedy and Ideology analyzes how the structure of ancient Greek comedy betrays and responds to cultural tensions in the society of the classical city state It explores the utopian vision of Aristophanes comedies for example an all powerful city inhabited by birds or a world of limitless wealth presided over by the god of wealth himself as interventions in the political issues of his time David Konstan goes on to examine the more private world of Menandrian comedy including two adaptations of Menander by the Roman playwright Terence in which problems of social status citizenship and gender are negotiated by means of elaborately contrived plots In conclusion Konstan looks at an imitation of ancient comedy by Moli re and the way in which the ideology of emerging capitalism transforms the premises of the classical genre

Democratic Swarms Page duBois,2022-05-04

Considers how ancient Greek comedy offers a model for present day politics With Democratic Swarms Page duBois revisits the role of Greek comedy in ancient politics considering how it has been overlooked as a political medium by modern theorists and critics Moving beyond the popular readings of ancient Greece through the lens of tragedy she calls for a revitalized look at Greek comedy Rather than revisiting the sufferings of Oedipus and his family or tragedy s relationship to questions of sovereignty this book calls for comedy its laughter its free speech its wild swarming animal choruses and its rebellious women to inform another model of democracy Ancient comedy has been underplayed in the study of Greek drama Yet with the irrepressible energy of the comic swarm it provides a unique perspective on everyday life gender and sexuality

and the utopian politics of the classical period of Athenian democracy Using the concepts of swarm intelligence and nomadic theory duBois augments tragic thought with the resistant utopian libidinous and often joyous communal legacy of comedy and she connects the lively anti authoritarianism of the ancient comic chorus with the social justice movements of today

The Enigmatic Realm of **The Political Theory Of Aristophanes**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **The Political Theory Of Aristophanes** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.
