The Promised Land Boulou de b'Berl, Nina Reid-Maroney, Handel K. Wright, 2014-06-09 Eschewing the often romanticized Underground Railroad narrative that portrays southern Ontario as the welcoming destination of Blacks fleeing from slavery The Promised Land reveals the Chatham Kent area as a crucial settlement site for an early Black presence in Canada The contributors present the everyday lives and professional activities of individuals and families in these communities and highlight early cross border activism to end slavery in the United States and to promote civil rights in the United States and Canada Essays also reflect on the frequent intermingling of local Black White and First Nations people Using a cultural studies framework for their collective investigations the authors trace physical and intellectual trajectories of Blackness that have radiated from southern Ontario to other parts of Canada the United States the Caribbean and Africa The result is a collection that represents the presence and diffusion of Blackness and inventively challenges the grand narrative of history

THE PROMISED LAND

OF ISRAEL Solomon Pournia,2023-06-12 What would you say if the Holy Quran turned out to contain components consistent with Zionism What if the Quran in its very philological content blesses and encourages the Jews to live in the land of Israel

What if billions of Muslims were to be made aware of the clearly pro Zionist verses in the Quran and were to alter their worldview to welcome the Jews in their ancestral homeland One of them is Sura Al Ma ida 5 21 which has a striking significance as a powerful command from Allah as interpreted by the renowned Muslim exegetes including Al Tabari On the other hand the examining of the status of al Aqsa Mosque being the third holiest site in the Muslim world as well as the status of the city of Jerusalem from Muslims and Jews viewpoint would reveal fully new perspectives Ever since 1937 there have been multiple attempts to resolve the Arab Jewish conflict to no avail The hidden religious aspect of the conflict has been generally neglected by the parties Accordingly the Muslim world is often subjected to provocation by zealous clerics and politicians who implement anti Jewish propaganda including the misinterpretation of the Quranic verses This book will tackle on the very sensitive topics alluded above and should serve as an eye opener for Muslim politicians traditional clerics Muslims in general and the interested Westerners The welldocumented accuracy and authenticity of the quoted facts render them beyond malicious interpretation
