This is one of his novels      [The Quest of the Sacred Slipper](#) Sax Rohmer, 2018-03-29 With the theft of the sacred slipper rumored to have been worn by the great Prophet himself came a wave of outrageous horror. Weird supernatural feats accompanied its movement from the Near East to a London museum. Mutilation even murder threatened all who came near it. It was as if a horde of phantoms had descended upon London whose guardians were soon plunged into fear and dread. And then the truth emerged. Behind these inhuman outrages was a secret group of fanatics, assassins trained from childhood to wreak havoc on all who dared disturb their sacred relics. Not even the best men of Scotland Yard seemed able to apprehend them. For in some mystical way this phantom band had never been seen or even heard.
