THE REPAIRMAN

The background of the entire cover is a silhouette of a man's head and hand holding a mobile phone, set against a vibrant sunset or sunrise sky over a body of water. The man's profile is on the right, looking towards the left. His hand is on the left, holding a flip phone. The sky is a mix of orange, yellow, and purple hues. The water is visible at the bottom.

Humor for Mature Minds, Volume 1 William Daugherty, 2013-04-12 Bill Daugherty has been collecting and telling jokes and humorous stories for many years. He does this not for profit but for the sheer enjoyment he receives from making people laugh. With stories such as these, he has entertained his Rotary Club, local and National Audubon Societies, literary group meetings, humorous roast, and members of his weekly bridge games. Bill's occupation has not been entertainment. Rather, he has postgraduate degrees in Physics and Education and, before retiring, was an Aerospace Engineering Manager at Hughes Aircraft Company, Space Technology Laboratories, and TRW Systems. He has written two WWII novels about the air war in the South Pacific: *Black Cats* and *Nightmares*. He published a monolog on education, *Public School Education Destroyed*, by Educators, and an engineering text he co-authored, *Mechanical Engineering for Electrical Engineers*. His OP/ED pieces have appeared in major newspapers. Bill firmly believes that laughter is sorely missing in our world, and jokes about mature subjects are especially entertaining. To find out if this is not our typical joke book, you'll have to read it. **Smartphone**
