The Queen S Man A John Shakespeare Mystery:

The Queen's Man Rory Clements, 2014-02-27 Includes BONUS short story Part of the bestselling John Shakespeare series of Tudor spy thrillers from Rory Clements winner of the Ellis Peters Historical Fiction Award Clements does for Elizabeth s reign what CJ Sansom does for Henry VIII s Sunday Times England is a Judas nest of conspiracy It is 1582 and the conflict between Protestant and Catholic threatens to tear the country in two While Queen Elizabeth I holds the reins of power there are those whose loyalty lies with her imprisoned cousin Mary Queen of Scots On his first major mission for Sir Francis Walsingham the young John Shakespeare is ordered to discover a conspiracy to free the Stuart queen from Sheffield Castle All too soon he realises that the tentacles of the plot reach deep into his native Warwickshire and threaten his own friends and family His duty lies with Elizabeth but how far will he go to protect those he loves In Our Own Image: Fictional Representations of William Shakespeare David Livingstone, 2020 This publication looks at fictional portrayals of William Shakespeare with a focus on novels short stories plays occasional poems films television series and even comics In terms of time span the analysis covers the entire twentieth century and ends in the present day The authors included range from well known figures G B Shaw Kipling Joyce to more obscure writers The depictions of Shakespeare are varied to say the least with even interpretations giving credence to the Oxfordian theory and feminist readings involving a Shakespearian sister of sorts The main argument is that readings of Shakespeare almost always inform us more about the particular author writing the specific work than about the historical personage The Sister Queens Justin Scott, 2024-02-06 Two rival queens History s greatest playwright And a deadly plot for the crown London 1600 With no legitimate heir to Queen Elizabeth s throne and no clear successor with her modern vision of a civilization that thrives in peace and diversity England is in a supremely perilous moment Elizabeth s foes understand the power of a poet s voice to shape popular opinion and force esteemed playwright William Shakespeare to write a script detailing the history of Queen Elizabeth and the catholic Mary Queen of Scots that will tumble the nation into civil war Faced with a terrible dilemma Will must navigate a dangerous path through the corridors of the wealthy the refuse filled warrens of London and the byzantine world of Elizabethan politics as he tries to save both his family and his own legacy **The Private Life of William Shakespeare** Lena Cowen Orlin, 2021-08-26 A new biography of William Shakespeare that explores his private life in Stratford upon Avon his personal aspirations his self determination and his relations with the members of his family and his neighbours The Private Life of William Shakespeare tells the story of Shakespeare in Stratford as a family man The book offers close readings of key documents associated with Shakespeare and develops a contextual understanding of the genres from which these documents emerge It reconsiders clusters of evidence that have been held to prove some persistent biographical fables It also shows how the histories of some of Shakespeare s neighbours illuminate aspects of his own life Throughout we encounter a Shakespeare who consciously and with purpose designed his life Having witnessed the business failures of his merchant father he determined not to follow his father s model

His early wedding freed him from craft training to pursue a literary career His wife s work and probably the assistance of his parents and brothers enabled him to make the first of the property purchases that grounded his life as a gentleman With his will he provided for both his daughters in ways that were suitable to their circumstances Anne Shakespeare was already protected by dower rights in the houses and lands he had acquired His funerary monument suggests that the man of small Latin and less Greek in fact had some experience of an Oxford education Evidences are that he commissioned the monument himself

Secret Shakespeare Richard Wilson,2024-06-04 Shakespeare s Catholic context was the most important literary discovery of the last century No biography of the Bard is now complete without chapters on the paranoia and persecution in which he was educated or the treason which engulfed his family Whether to suffer outrageous fortune or take up arms in suicidal resistance was as Hamlet says the question that fired Shakespeare s stage In *Secret Shakespeare* Richard Wilson asks why the dramatist remained so enigmatic about his own beliefs and so silent on the atrocities he survived Shakespeare constructed a drama not of discovery like his rivals but of darkness deferral evasion and disguise where for all his hopes of a golden time of future toleration What s to come is always unsure Whether or not He died a papist it is because we can never pluck out the heart of his mystery that Shakespeare s plays retain their unique potential to resist This is a fascinating work which will be essential reading for all scholars of Shakespeare and Renaissance studies

Martyr Rory Clements,2014-09-09 A court spy must stop the assassination of Sir Francis Drake while solving a royal murder in this gritty Elizabethan mystery an excellent debut Publishers Weekly starred review England 1587 Tensions run high in the court of Elizabeth I Within days the axe could fall on the neck of Mary Queen of Scots and Spain is already gathering a battle fleet to avenge her At the center of the storm is John Shakespeare chief intelligencer in the secret service of Sir Francis Walsingham When an intercept reveals a plot to assassinate England s sea dragon Francis Drake Shakespeare is ordered to protect him Busy fitting out his ships on land Drake is frighteningly vulnerable If he dies England will be open to invasion From the splendor and intrigue of the royal court to the sleek warships of Her Majesty s Navy and the teeming brothels of Southwark Shakespeare soon learns that nothing is as it seems

Shakespeare's Face Stephanie Nolen,2004 In May 2001 Stephanie Nolen made a stunning announcement that ignited furious debate around the world the discovery of a painting that may be the only portrait of William Shakespeare painted during his lifetime In *Shakespeare s Face* she tells the extraordinary story how the portrait came to reside under the bed of a Montreal grandmother and how her grandson a retired engineer painstakingly authenticated the work in the face of numerous setbacks An unparalleled international cast of experts in art and literature spiritedly weighs the evidence for and against the Sanders portrait making this a fascinating tour of provenance perfect for the Antiques Roadshow lover In an entertaining manner the experts examine telling scientific details such as the age and origin of the portrait s wood the barely visible handwriting on the label affixed to its back and the significance of the sitter s clothes They explore our desire repeated over the centuries to find an image of Shakespeare that

speaks to us and they ultimately create a succinct but comprehensive biography of the Bard a picture of his life and times The face in the small oil on wood painting is an attractive one mischievous keen eyed enigmatic not the bladder faced burger disparaged by Mark Twain taken from images of the playwright created after his death The smile is suggestive for many of the humorous humane man who wrote the greatest plays in the English language As this engrossing book demonstrates Shakespeare's genius had many faces and the Sanders portrait may show us the most genuine and authentic of them all
