I Know What I Believe. Sister Susan Kerr, 2011-05-13 You know everyday we sit around and people say you should write a book Well I have this is it A three in one so to speak the statement clearly about what I believe I follow that up with why I believe these things to be so And then of course there is a very get real with prayer portion of this little work This whole work is about reaching an unseen God that is all powerful all knowing Who created us all If you will follow the patterns shown in this little book that you could actually read a small story at a time or a prayer a day would hopefully put a hunger in you to know the God of Creation who loved you so much that when you betrayed Him His Holiness and His true and faithful kind and gently love you who sinned against Him who created you would find a strong and living relationship with God my Father for yourself It is my will as it is God s will that NONE should leave this Earth via the portal of death or any other way and find them selves in Hell for Eternity I mean think about that Eternity is a long time and there are NO Friends there No one can make these choices for you The decision to ask God to forgive you for your own sin is between you and God alone Not Mom nor Dad no Sister or Brother can make this choice for you It is yours and yours alone God because He was rejected came in the flesh of Jesus and went to a cruel undeserved death on the cross for you because of you so you could get the forgiveness you so desperately need as do we all God has offered peace between you and Himself you must come to God through Jesus His Son there just is no other way Think it over but do not delay your decision YOUR Eternity depends upon it YOUR CHOICE

To Those I Love sharing What I Believe Larry V. Murphy, 2014-08-29 This little book is a brief summary of the author s more prevalent spiritual beliefs and understandings The views shared are presented as quite generous comparisons to some spiritual views of the major religions of the world actually and within the spirit of true tolerance Though the author is passionate and often affirmative in his own beliefs he makes every effort to steer clear of rigid dogma In fact the book was written largely as an offering of reason the best way to counter the religious dogma already present in the world The author does not wish to open more doors for arguing and fighting rather he thinks there is much common ground where spiritual views can be jointly

shared by all in unity and universal Oneness Though the author recognizes that humankind often displays great difficulty in reaching common ground for its greatest passions the author also hopes this book will open dialog toward that end **What I Believe** graf Leo Tolstoy,1902 **Sticking Up for What I Believe** Gwendolyn Mitchell Diaz,2002 *Does It Matter What I Believe?* Samuel James,2023-01-11 How Sound Doctrine Influences Every Area of the Christian Life Doctrine might be something you ve heard in church but how does it impact your life Christian doctrine examines what the Bible teaches about particular topics such as the nature of God the nature of humanity how humans should live and more By understanding biblical truths believers have the tools to understand God interpret Scripture and live godly lives In this addition to the Church Questions series Samuel James addresses how doctrine influences every area of life for the believer Many individuals know that their beliefs matter in certain areas of life such as politics but don t always understand how key biblical principles like the Trinity ecclesiology and the atonement should shape their everyday lives It is easy to think that doctrine is only for theologians but in reality it is essential for everyone humanity was created to know the truth about God themselves and the world Part of the Church Questions Series Developed to give biblical insight into common questions Ideal for New Christians Introduction to the relationship between doctrine and living out the Christian life Short and Accessible Format Concise biblical teaching on the church s system of beliefs **Meningitis what i believe, what i feel & what i want** sammy fuller, What I Believe Alan Brown,Andrew Langley,1999 Introduces Judaism Christianity Islam Hinduism Buddhism Sikhism Shinto and Taoism through the eyes of young members of those faiths What I Believe Edward Morgan Forster,1999 **Annual Report of the Minnesota State Agricultural Society for the Year ...** Minnesota State Agricultural Society,1907 *Messiah Pulpit* ,1896 Contains text of sermons delivered by M J Savage and others in New York City
