Artificial Intelligence - Social, Ethical and Legal Issues, 2025-06-11

Artificial Intelligence (AI) is the backbone of developing smart machines that slowly but steadily replace people's roles, hence probably becoming a threat to the existence of humanity. AI has been discussed globally as a technology that demonstrates enormous potential for improving society if it is developed and implemented properly. On the contrary, it will have a negative impact if it is not developed and implemented responsibly. This book presents the social, ethical and legal issues of Artificial Intelligence. Various applications of Artificial Intelligence have been discussed, particularly in the fields of Medical Healthcare, Education, Libraries, Labor, Gender Equality, Private Businesses and Government Operations. This book can help and support decisions for policymakers on crafting laws regarding Artificial Intelligence. High-risk AI systems must follow a strict set of requirements to be used in practice. The assessment of the trustworthiness and transparency of the developed AI-based system has also been discussed. Also included in this book is a detailed examination of case studies and theoretical approaches that offer practical insights on how AI can be harnessed to

foster a balanced representation of genders ultimately contributing to more equitable technological advancements A critical analysis of the impact of AI on the digital and data divide is discussed The book also investigates the directions and development of AI research in medicine over the next decade *Brilliant Essays* Ursula Hackett,2020-11-17 Ursula Hackett's tried and tested approach for essay success helps students to create brilliant original high scoring essays that are enjoyable to write and read With dozens of hands on exercises and clear examples *Brilliant Essays* begins with students everyday experience of using language arguing a case reading thinking and communicating with other people Chapters help students to examine and dispel assumptions build and control their arguments and use evidence effectively in written assignments and timed exams The final chapter provides clear no nonsense answers to frequently asked questions raised by Ursula's students at Royal Holloway University of London and the University of Oxford and via her YouTube channel and website Whichever subject your students study *Brilliant Essays* will take them beyond the basics and give them the tools to reach their academic potential **How to Write Successful Business and Management Essays** Patrick Tissington,Markus Hasel,Jane Matthiesen,2009-07-09 Electronic Inspection Copy available for instructors here *How to Write Successful Business and Management Essays* is a systematic guide to successfully producing written work for business and management degrees The authors address the all too common pitfalls of essay assignments as well as providing students with a step by step programme to approach essay questions both in coursework and exam contexts Starting with the basics this book helps develop skills through the use of examples exercises and checklists Helpful features include Annotated essay examples showing both good and bad points Tips on time management and motivation note taking and effective reading Final checklists to use before you hand in Explanation of what the markers are looking for and how to give it to them Many students find referencing particularly confusing so the book provides detailed but easy to use information on what referencing is and how to do it properly *SAGE Study Skills* are essential study guides for students of all levels From how to write great essays and succeeding at university to writing your undergraduate dissertation and doing postgraduate research *SAGE Study Skills* help you get the best from your time at university Visit the *SAGE Study Skills* website for tips quizzes and videos on study success **Academic Writing for Military Personnel, revised edition** Adam Chapnick,Craig Stone,2023-05-16 *Academic Writing for Military Personnel* is a manual for writing clear and effective academic prose Authored by an experienced writing instructor and a retired military officer both of whom teach in a professional military education institution it is designed for members of the armed forces who are entering or perhaps re entering the academic community and having spent much of their careers either writing in the professional military context or not writing at all The book not only teaches officers how to write convincingly but also explains why a sound grasp of academic writing can enhance their effectiveness in their regular duties particularly as they reach the more senior levels of service Chapters focus on the value of written communication skills the difference between professional staff and academic writing the research
