The Pinnacle of Holiness D. L. Anderson,2013-02-28 There's more to inheriting eternal life than what many of us have been told Depending upon your level of spiritual commitment this statement may or may not mean anything to you But it means everything to me Why It is because eternal life represents the progressive alternative to endless death the only other potential final destination of my soul Therefore as the soul shall subsist forever securing eternal life should be the primary objective of every progressive existence At the same time many have been deceived into believing that inheriting eternal life is as easy as saying a simple prayer or having an undeveloped meager level of faith Still the reality is that inheriting eternal life i e the greatest prize of all time will naturally require the greatest investment of all time a life dedicated to the will of the Father which is the basis of progressive spiritualism Accordingly the scriptures teach us For whosoever will save his life shall lose it and whosoever will lose his life for my sake shall find it For what is a man profited if he shall gain the whole world and lose his own soul Or what shall a man give in exchange for his soul See Matthew 16 25 26 In my opinion any honest person would come to this conclusion and would rightfully as well as willfully desire to make the necessary investment required to obtain the prize of eternal life The problem is that many honest believers haven't been told the whole story and are preparing to go to the Judgment with many of their works undone Consequently the question of the hour is simply this what more is there to the story Conclusively the answers to this inquiry are found within this volume of *The Pinnacle of Holiness* Building off the former volume which provides a high level description of the path which leads to eternal life this volume will focus on providing detailed information about the path Thus it should be viewed as a spiritual training manual which each sojourner soldier can employ to ensure that they are abiding by every criterion associated with inheriting eternal life In the end and with regards to the delicate matter of eternal life the most critical factors are the instructions which the Father has revealed to us by His Spirit and recorded within His Word Definitively these spiritual and scriptural disclosures are contained within this volume As the scriptures have said And thine ears shall hear a word behind thee saying This is the way walk ye in it when ye turn to the right hand and when ye turn to the left **Resource Guide for Congressional Staffs** United States. Immigration and Naturalization Service. Office of Congressional Affairs,1987 **God Created Man in His Image and Likeness** Oried E. Graves,2012-10-26 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies One reason is that God our Creator is telling us what He wants us to be and do as created in His image and likeness Our purpose is in our image and likeness of God our Creator not like the dust of the ground or the flesh of our parents Most children don't know that they are created in the image and likeness of God and their

parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents dont ask God for His spirit for their children is because they dont recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will
