Stunt Water eBook Buddy Wakefield, 2015-09-22 Stunt Water is Wakefield's first 20 years of spoken word and lyrics collected from his original three now out of print books It is a vulnerable cross section of his writing that moves from disarmingly human to sudden bursts of beast able to seamlessly blend back into grounded stories of humor heartache and identity using crisp innovative and unforgettable metaphors If you can only buy one Buddy Wakefield book this collection is the most comprehensive of his most compelling works to date His craft mimics the intrigue of propellers when they make themselves invisible Buddy's honest story is a one man relay race to the light that of a boy at gentleman practice who sometimes wants to blend in so badly he forgets his purpose has already arrived and there is no need to fight a war that's long been over The reader must be prepared for the recurring nightmares from which Buddy wakes up only to realize that whatever supposedly awful thing was stalking him was actually just trying to help **Essays on Teaching** Bob

Life Is What You Make It Peter Buffett, 2011-05-03 From composer musician and philanthropist Peter Buffett comes a warm wise and inspirational book that asks Which will you choose the path of least resistance or the path of potentially greatest satisfaction You may think that with a last name like his Buffett has enjoyed a life of endless privilege But the son of billionaire investor Warren Buffett says that the only real inheritance handed down from his parents was a philosophy Forge your own path in life It is a creed that has allowed him to follow his own passions establish his own identity and reap his own successes In *Life Is What You Make It* Buffett expounds on the strong set of values given to him by his trusting and

broadminded mother his industrious and talented father and the many life teachers he has met along the way Today's society Buffett posits has begun to replace a work ethic relishing what you do with a wealth ethic honoring the payoff instead of the process We confuse privilege with material accumulation character with external validation Yet by focusing more on substance and less on reward we can open doors of opportunity and strive toward a greater sense of fulfillment In clear and concise terms Buffett reveals a great truth Life is random neither fair nor unfair From there it becomes easy to recognize the equal dignity and value of every human life our circumstances may vary but our essences do not We see that our journey in life rarely follows a straight line but is often met with false starts crises and blunders How we push through and persevere in these challenging moments is where we begin to create the life of our dreams from discovering our vocations to living out our bliss to giving back to others Personal and revealing instructive and intuitive Life Is What You Make It is about transcending your circumstances taking up the reins of your destiny and living your life to the fullest Bouquet of Red Flags Taylor Mali, 2014-11-01 With the perfect blend of wit eloquence and honesty Taylor Mali's poems delight haunt and illuminate with equal measure every subject they celebrate Bouquet of Red Flags is laced with more than the typical LSD love sex divorce of modern poetry Here lie poems that elevate the overlooked daily miracles of coincidence The Luck I Crave as well as the blessings of loss and longing Love as a Form of Diving Whether employing form or rhyme or merely crafting the artful prose he is known for Taylor Mali delivers entertaining epiphanies spiced with the Deepest Condiments *Sonata* Andrea Avery, 2017-05-09 Andrea already a promising and ambitious classical pianist at twelve was diagnosed with a severe case of rheumatoid arthritis that threatened not just her musical aspirations but her ability to live a normal life As Andrea navigates the pain and frustration of coping with RA alongside the usual travails of puberty college sex and just growing up she turns to music specifically Franz Schubert's sonata in B flat D960 and the one armed pianist Paul Wittgenstein for strength and inspiration The heartbreaking story of this mysterious sonata Schubert's last and his most elusive and haunting is the soundtrack of Andrea's story Sonata is a coming of age story that explores a Janus head miracle Andrea's extraordinary talent and even more extraordinary illness in a manner reminiscent of Brain on Fire and Poster Child Like the goshawk becomes a source of both devotion and frustration for Helen Macdonald in H Is for Hawk so the piano comes to represent both struggle and salvation for Andrea in this extraordinary debut **What Does Injustice Have to Do with Me?** David Nurenberg, 2020-05-15 Why should we care about the education of privileged white students Conversations about education in America focus near exclusively on underprivileged majority minority schools for many important reasons What Does Injustice Have to Do With Me however argues that such efforts cannot succeed in creating a more just and equitable society without also addressing the students who benefit from America's educational economic and racial inequities These young people grow up to wield disproportionate power and influence yet emerge undereducated and poorly prepared to navigate let alone shape our increasingly diverse country David Nurenberg weaves together narrative from his twenty years of suburban

teaching with relevant research in education and critical race theory to provide practical hands on strategies for educators dealing with challenges unique to high powered suburban urban and independent schools affluent myopia white fragility the empathy gap overinvolved parents overcautious administrators and an if it isn't broke don't fix it mentality Despite high test scores and college acceptances many schools serving affluent white students are indeed broken Social justice education for privileged white students is not only critical for our society but also for helping those students themselves emerge from a culture of anxiety and cynicism to find meaning purpose and self confidence as activist allies *Clear Out the Static in Your Attic* Rebecca Bridge, Isla McKetta, 2014-08-22 An easy to follow guidebook This is the ultimate collection of fun and thought provoking writing inspirations exercises reflections and prompts for story writers and poets alike This book includes prompts examples and helpful nuggets of creative power to set you on your way to writing the best work of your life Your mind is like your attic it's already filled with everything you need to write your story or poem a lifetime's worth of material We're here to help you take your memories along with the wealth of words that are already part of your life and assemble them into stories poems and essays Organized around items you might find in an attic the prompts in this book will help you find inspiration in everyday objects and experiences Great Short Poems from Around the World Bob Blaisdell, 2013-09-19 This hardcover edition presents an international sampling of classic poetry It features ancient Greek Latin and Persian poets such as Homer Sappho and Martial as well as Arabic Chinese German Indian Japanese and Yiddish poems from the 12th century BC through the 20th century plus English Irish and American classics by Yeats Byron Dickinson and others *Favorite Daughter* Nancy Huang, 2017-09-15 Favorite Daughter is a poetry collection trying to uproot America from inside the body and find where China is buried underneath Divided into four parts Daughter explores ideas like navigating hybridity localism and harmony in ways that disturb commonly held notions about broad terms like belonging and cultural struggle A compilation of immigration stories Chinese radio segments Google translate entries and dictionary remixes Huang immerses herself in everything she is uncertain of *Atrophy* Jackson Burgess, 2018-09-21 Dive bars gas stations bedrooms and snowfields comprise the setting as the speaker asks What do we feel What should we feel Who gets to feel what In his moving debut collection Jackson Burgess examines heartbreak depression and empathy through a lens of rigorous introspection Atrophy's poems vary in location mostly between Los Angeles and Iowa City with reoccurring characters serving as touchstones forming the book's narrative Much of the collection is about or directly addresses an ex lover Lily In the wake of that failed relationship Atrophy wrestles with loneliness substance abuse and dissociation utilizing lists letters prose poems and free verse These poems celebrate the past while mourning it armed with the advantage of retrospect Prescription drugs dog fights dance parties love letters and ghosts the world depicted is at times dark at times humorous but always human Atrophy is vulnerable and cinematic a series of manic meditations exploring what it means to love and be loved to hurt and be hurt The Year of No Mistakes Cristin O'Keefe Aptowicz, 2014-08-22 In *The Year of No Mistakes* Aptowicz goes cross country

and tackles themes like love lust heartache and ambition in poems set in cities across the United States While the backbone of the book is the slow break up of her decade long relationship the heart remains Aptowicz falling in love with Americana Sharply observant and unflinchingly truthful her poems may be funny or heartbreaking spare or lush bright or dark but they are always honest and engaging working class poems Written during the fellowship year of her National Endowment for the Arts grant poems from this collection have already been published in over four dozen literary journals and have been performed in venues across the country

What the Night Demands Miles Walser,2014-08-22 Miles Walser unearths the concept of the binary in his long awaited first poetry collection While Walser's lionhearted deconstruction of gender tackles trans identity in a way no living poet has before he also dismantles other alleged dichotomies such as loneliness and introversion softness and rage mathematics and art He acknowledges the existence of all these opposites and their place inside the author Walser bares so much of his many hued self that the reader can't help but turn inwards The reader does not simply watch the author bloom in these poems but the open minded reader is bound to bloom also

Floating, Brilliant, Gone Franny Choi,2014-08-22 In her electrifying debut Franny Choi leads readers through the complex landscapes of absence memory and identity Beginning in loss and ending in reflective elation Floating Brilliant Gone explores life as a brief impossibility infinite until it isn't Punctuated with haunting illustrations by Jess X Chen Choi's poems read like lucid dreams that jolt awake at the most unexpected moments

My, My, My, My, My Tara Hardy,2017-01-06 Suddenly stricken by a life threatening condition the author finds she has slipped into an alternate reality one in which her life and her livelihood are no longer to be counted on Oddly she finds it's a place populated with not just hope but a newfound appreciation for the splendors of the physical world Her fight to stay alive while terrifying is deeply vibrant

MultiVerse Rob Sturma,2014-11-01 MultiVerse does for superheroes what Rob Sturma's first anthology Aim For The Head did for zombies It tackles what could be dismissed as a genre novelty and through the words of page and stage poets finds the heart pathos and humor involved in the otherworld of those with superhuman abilities Welcome to an examination of the many facets of what it means to be a hero

Everyone I Love is a Stranger to Someone Annelyse Gelman,2014-08-22 Look the future is all telepathy and disappointment and pretending we haven't always been winging it Every day we're the strongest we'll ever be What doesn't kill you hasn't killed you yet From Greek mythology to Top 40 Pavlov to Sartre the space station to the zoo Everyone I Love is a Stranger to Someone collides dark humor and unexpected sweetness

Lessons on Being Tenderheaded Janae Johnson,2022-04-05 In Janae Johnson's debut poetry collection the concept of being tenderheaded is less about Black hair more how we are taught to disguise pain through suppression of macro and micro traumas What began as a book of poetry about women's basketball transformed into a coming of age story centering Black queer masculinity emotional restoration and belonging From lyrically experimental to personified prose each poem encourages humor to rise after an eight hour hair appointment and the ultimate decision to wear a ponytail
