

Sometimes you just don't know what you have until it's gone! Arthur finds this out the hard way in his first ever CGI feature film.

One hot summer day Arthur returns from a rousing neighbourhood water balloon fight to discover his beloved dog Pal is missing.

Not one to sit around and do nothing, Arthur calls upon detective extraordinaire and best friend on two legs, Buster Baxter, to help crack the case.

With the help of Buster and his bag of tricks, Arthur and the rest of the gang from Elwood City are soon hot on Pal's trail. The clues lead them through a harrowing series of twists and turns that cause Arthur to realise he may not have been the best owner lately and ultimately question the unthinkable: could Pal have run away?

It will take the help of all his friends and family (and a little luck) for a mad dash against the clock to track down Pal before he is gone forever.
