

How I Spent Summer Vacation

◆ Welcoming the Holidays with Excitement

After the long and tiring school year, the summer holidays felt like a reward. I looked forward to sleeping in, playing with friends, and spending more time with my family. It was a chance to rest my mind and body before the next school year began.

◆ A Trip to the Village – A Peaceful Escape

My parents decided to take us to our native village, where my grandparents lived. The train journey was exciting. I watched trees, farms, and rivers pass by. It was refreshing to be away from the city noise and surrounded by the peaceful countryside.

◆ The Warmth of Grandparents' Love

At the village, my grandparents greeted us with warm smiles and open arms. Their home was simple, but filled with love. My grandmother cooked delicious food with fresh ingredients from the garden. I felt safe, loved, and deeply connected to my roots.

◆ Discovering the Beauty of Nature

In the village, I saw things I rarely noticed in the city—colorful birds, butterflies on flowers, and a clear sky full of stars. Each morning began with birdsong, and the evenings were quiet and cool. The beauty of nature brought me peace and happiness.

◆ Daily Life and New Experiences

Life in the village followed a calm rhythm. I helped my grandfather feed the cows and water the plants. I even learned how to draw water from the well. These tasks were new and enjoyable, and they taught me the value of hard work.
