E-marketing Raymond D. Frost, Judy Strauss, 2016-06-03. For courses in Internet Marketing or E-marketing. This book teaches marketers how to engage and listen to buyers and how to use what they learn to improve their offerings in today's Internet and social media-driven marketing environment. It brings traditional marketing coverage up to date with a thorough, incisive look at e-marketing planning and marketing mix tactics from a strategic and tactical perspective. The focus is on the Internet and other technologies that have had a profound effect on how marketing is approached today. Included is coverage of marketing planning, legal and global environments, e-marketing strategy and marketing mix, and customer relationship management strategy and implementation issues. A major revision, this seventh edition reflects the disruption to the marketing field brought about by social media. As such, it covers many new topics that represent the changes in e-marketing.
