sound shocking but even in this current age books are banned all around the globe But what makes a book inappropriate even dangerous for public consumption and who has the power to deem it so Some governments ban books as a form of censorship Even schools can ban books they consider too racy or inappropriate for their students Does banning books take away our liberties attempt to erase history and impose an agenda Or is the practice actually in our best interests depending on the circumstance This balanced volume examines this surprisingly nuanced issue Sexual Content in Young Adult Literature Bryan Gillis, Joanna Simpson, 2015-02-10 Though discussing sexual material in novels aimed at the young adult market may make some individuals blush the authors of such fiction often seek to represent a very real component in the lives of many teens Unfortunately authentic and teen relatable information on healthy adolescent sexuality is not readily available and sex education classes have had a minimal effect on positive sexual identity development Consequently young

adult literature that contains sexual elements can play a critical role in addressing the questions and concerns of teens In Sexual Content in Young Adult Fiction Reading between the Sheets Bryan Gillis and Joanna Simpson examine sexual material in canonical historical dystopian romantic and realistic contemporary fiction for teens The authors begin with an exploration of sexual identity development and discuss the constructive influence that realistic representations of teen sexual behavior can have on that development The authors provide a myriad of texts and examples that will help parents teachers and librarians better understand the positive role that sexual content in YA fiction can play in the socio emotional and academic development of adolescents The book concludes with an overview and analysis of censorship in the world of young adult fiction In addition to providing a survey of sexual content in young adult literature this book can help inspire adults to facilitate effective and responsible discussions about young adult fiction that contains sexual material Featuring a novels cited and works cited bibliography Sexual Content in Young Adult Fiction is an important resource that parents and educators will find particularly valuable

Considering Watchmen: Poetics, Property, Politics Andrew

Hoberek,2017-05-31 Alan Moore and Dave Gibbons s Watchmen has been widely hailed as a landmark in the development of the graphic novel It was not only aesthetically groundbreaking but also anticipated future developments in politics literature and intellectual property Demonstrating a keen eye for historical detail Considering Watchmen gives readers a new appreciation of just how radical Moore and Gibbons s blend of gritty realism and formal experimentation was back in 1986 The book also considers Watchmen s place in the history of the comics industry reading the graphic novel s playful critique of superhero marketing alongside Alan Moore s public statements about the rights to the franchise Andrew Hoberek examines how Moore and Gibbons engaged with the emerging discourses of neoconservatism and neoliberal capitalism ideologies that have only become more prominent in subsequent years Watchmen s influences on the superhero comic and graphic novel are undeniable but Hoberek reveals how it has also had profound effects on literature as a whole He suggests that Watchmen not only proved that superhero comics could rise to the status of literature it also helped to inspire a generation of writers who are redefining the boundaries of the literary from Jonathan Lethem to Junot D az Hoberek delivers insight and analysis worthy of satisfying serious readers of the genre while shedding new light on Watchmen as both an artistic accomplishment
