**What Lurks Beneath** Ryan Lockwood,2015-05-26 A horrific creature is hunting and devouring tourists beneath the waves surrounding the Bahamas in this suspense thriller by the author of *Below* The first attack occurs in the underwater caverns of the Bahamas Two professional divers exploring the unknown A monstrous flesh ripping predator they never see coming Now the attacks are coming closer and closer to shore A sun soaked playground for sea loving tourists A feasting ground for whatever lurks beneath Now in a desperate race against time Eric Watson an expert on remote control underwater vehicles and marine biologist Valerie Martell must identify a savage new species of killer and piece together one of nature s most horrific mysteries But the most terrifying discovery of all waits for Val and her team at the bottom of the sea A discovery too shocking to comprehend Because up till now this creature existed only in mankind s darkest nightmares Not anymore Praise for Ryan Lockwood s *Below* Nerve tingling suspense Kevin O Brien New York Times bestselling author of *The Bad Sister* Absolutely terrifying Marc Cameron author of *State of Emergency* Brandon Flesher,2012-03 **The New Bedside Playboy** Hugh Hefner,2011-12-30 Over the course of its illustrious and often controversial history Playboy magazine has published the works of some of the world s greatest writers from Beat poets to Nobel laureates In 1979 Hugh M Hefner addressed a reunion of Playmates in Los Angeles Without you he said I d have a literary magazine This anthology presents an amazingly diverse selection of a half century s worth of entertaining stories journalism humor and cartoons Featuring articles and interviews drawn from more than five decades fiction from the likes of Woody Allen Saul Bellow Michael Chabon Robert Coover Jonathan Safran Foer David Mamet Jay McInerney Joyce Carol Oates Jane Smiley Scott Turow and cartoons from the likes of Gahan Wilson Shel Silverstein and Jules Feiffer this volume will serve as a perfect bedside companion The Booklist ,1929 *Samuel Johnson on Shakespeare* Edward Tomarken,2009-01-01 Since the first appearance of Samuel Johnson s edition of Shakespeare s drama in 1765 its Preface has often been published separately while the Notes have been treated as miscellaneous and fragmentary As a result few modern readers realize that the Notes in fact contain coherent interpretations of most of the plays and that many portions of the Preface are generalizations related to those readings Scholars who have examined the Notes carefully have almost always used them in studies of larger issues such as Johnson s morality or rhetoric In this book Edward Tomarken provides the first full length study of the Notes to Shakespeare showing how they raise issues of direct concern to modern critics and theoreticians While referring to Johnson s notes on all the Shakespearean dramas Tomarken focuses on eight plays Henry IV Troilus and Cressida Twelfth Night The Taming of the Shrew King Lear The Tempest Hamlet and Macbeth to demonstrate the range of Johnson s editorial and critical abilities Each chapter devoted to a single play moves from the particular to the general from specific remarks about the play in the Notes to related theoretical statements in the Preface and finally to an axiom of literary theory Ranging from a formulation concerning ideology in criticism to a reconsideration of aesthetic empathy these axioms are Tomarken contends

essential to literary criticism as a discipline and manifest Johnson's relevance to modern criticism. The conception of criticism that emerges in this book goes well beyond the theoretical premises of the eighteenth century. Tomarken submits that the ethical dimension of criticism, the moral aspect so fundamental to Johnson but so foreign to modern critics, can point to a way of mediating between the ideological differences that have become so divisive in modern criticism and theory. An Alchemy of Living Culture Stacy Klein, 2025-10-02. This volume captures the theatrical and cultural practice to have come out of Double Edge Theatre, which Stacy Klein founded in 1982. It showcases the company's dedication to collective artistic creativity, cultural survival, and sustained equitable organization, building with Klein's artistic and social vision at its centre. Featuring interviews, artists' statements, essays, and speeches in which Klein articulates the mission of Double Edge Theatre as it evolves, the volume captures the democratic spirit and boundary pushing theatrical work the company has championed. In doing so, it celebrates the company's connections across the globe, including its collaborations with Eastern European, Scandinavian, and South American theatres such as Grenland Friteater, Norway, and Diablomundo, Argentina, and its links with rich theatrical traditions such as the Laboratory Theatre, poor theatre, street theatre, and circus. It also documents Double Edge's exploration of the intersections between cultural, traditional, and spiritual practice, which extends to their work with Jupiter Performance Studio, the SITI Company, Open Flame Theatre, Ohketeau Cultural Center, and the Drogobych Synagogue in the Carpathian mountains of Ukraine, as well as the inspirations of artists Marc Chagall and Leonora Carrington. The book features a scholarly introduction by Jonathan P. Eburne that situates Klein's writing in the broader landscape of theatre history. An Alchemy of Living Culture offers first-hand insights into the pragmatic as well as the visionary aspects of experimental creation and speaks to a broad and multi-national community of theatre makers. **Critical Affect** Ashley Barnwell, 2020-05-28. Critical Affect explores the emotional complexity of critique and maps out its enduring value for the turn to affect and ontology. Through a series of vivid close readings, Ashley Barnwell shows how suspicion and methods of decoding remain vital to both civic and academic spaces where concerns about precarity, transparency, and security are commonplace, and the question of how we verify the truth is one of the most polarising of our age. Weaving together both the critical and affective dimensions of paranoid reading, Critical Affect opens crucial questions about the ethics of practicing theory and offers a new route into the critical study of affect. Quiet Chaos Jason R. Sullivan, 2020-08-31. Anxiety is the most common issue in the world of mental health. This book discusses the treatment and reflects on how to deal with anxiety issues in a completely different way. It does not tell you to work harder and look happier, nor does it tell you to fake it until you make it. Rather, it expresses the importance of struggle and the power of intimacy in the hearts and minds of those dealing with anxiety. Quiet Chaos is a deeply honest conversation between the author and the reader, a conversation that could just change the way you see yourself and the world around you.
