The Gifts of Infertility Sandy Hickman, 2012-05-14 This is a true story of the author's struggle with infertility and with the path that God placed her and her husband on trying to become parents. It is a raw look into her emotions and the grief that overcame her and how she dealt with the pain and heartbreak. It is also a story of the amazing way God worked in their lives to bring a child into their family and the gifts she has learned from her experience with infertility.

The Spirit of Adoption Melanie Springer Mock, Martha Kalnin Diede, Jeremiah Webster, 2014-10-14 The Spirit of Adoption explores many of the complexities inherent in adoption and its relationship to spirituality, challenging us to move beyond the common mythologies about adoption to consider the more difficult questions adoption raises about the nature of God, family, culture, loss, and joy. Rather than hearing from experts in adoption, this collection uses the narratives of birth parents, adoptive parents, and adoptees themselves, bearing witness to the ways adoption shapes its participants' spiritual lives. By allowing others to narrate their spiritual journeys through adoption, we hope to proclaim that adoption can be a wonderful, powerful, hopeful experience and one that is difficult, painful, despairing, and that these paradoxes of adoption might be held together in God's hand.

Sexuality and Holy Longing: Second Edition Lisa Graham McMinn, 2019-03-05 In this newly revised edition of *Sexuality and Holy Longing*, author Lisa Graham McMinn beautifully describes how people are created by God for relationship and our sexuality guarantees that we will long for and be drawn toward others. McMinn provides a blueprint for understanding sexuality and our longing to be loved at all stages of life: childhood, teen years, early adulthood, midlife, and old age. In the context of faith and a changing culture, she explores sexual awakenings in adolescence, choices, opportunities, and challenges of single people, and mysteries of committed covenantal relationships. She addresses tough topics including reproductive issues, sexuality for those who are single, divorced, widowed, or never married, and in this new edition, LGBT issues and same-sex marriage. The author details practical solutions for ways that parents, educators, and churches can nurture others and ourselves in the quest to understand sexuality as a longing that draws us toward God and others and to embrace it as a God-given gift. Thought-provoking study questions at the end of each chapter inspire readers to reflection and action in reclaiming our sexuality through grace.

I Still Want to be a Mom Julie A. Pierce, 2018-03-06 *I Still Want to be a Mom* helps women stop thinking about how badly they want a baby and just get pregnant. Sometimes getting to parenthood isn't as easy breezy as couples are led to believe, and women can't help but wonder what's up with their fertility. After all the years spent telling their body not to get pregnant, now they want a baby. Sometimes doctors don't have satisfying answers or solutions, and dealing with all the decisions can be overwhelming and confusing, and there's so much noise about infertility. *I Still Want to be a Mom* is for women who are feeling sad, frustrated, broken, and exhausted and don't want to feel that way anymore. Fertility and healthy lifestyle coach Julie Pierce shares what she's learned through years of working with women struggling their way to motherhood, and she was one of them. With her help, women can stop their struggle and return to that beautiful place of confidence and joy they started this journey with and just get pregnant.

Embracing Trust Joanna

Weaver,2022-08-16 Trusting God It s such a clich Yet nothing means more to our heavenly Father than when we surrender our lives completely to him and choose to believe he has our best in mind David modeled that kind of deliberate dependence as a shepherd boy as a man running for his life as a king who made grave mistakes In both triumph and failure David looked to God rather than to himself In Embracing Trust Joanna Weaver bestselling author of the runaway hit Having a Mary Heart in a Martha World shares personal stories practical tips and life changing principles gleaned from Scripture If you struggle with disappointment from the past frustration with the present or fear of the future Joanna invites you to trust in the Lord with all your heart Relinquishing control and putting your hope in a forever faithful Father that s the beautiful secret of unshakeable faith Includes a 10 week companion Bible study Embracing Unfair Situations Shannon Moore,2023-09-11 Maybe things in life haven t gone the way you thought they would The picture perfect life you always planned and dreamed of came to a crashing halt when your actual reality looks nothing like you ever thought it would How do you keep persevering and living a hope filled life when nothing around you feels good and it feels like life may never feel okay again Shannon Moore shares her story of how God met her in the middle of the darkest moment in her life and helped her change her bitter situation into a beautiful story full of hope restoration and faith Now her goal is to help you do the same with your life Shannon will help you place your hope in a God of restoration discover practical ways to overcome the Enemy s schemes learn ways to stay strong when life constantly wants to pull you down and discourage you figure out how to embrace the unfairness that has invaded your life learn how to walk through the messy road of healing Life is full of so much unexpected pain and it can easily make us bitter and leave us feeling like we don t have the strength to continue But this is not the end Life can be good again Restoration is possible The darkness doesn t mean there isn t light ahead *The Infertility Treadmill* Karey Harwood,2007 Infertility Treadmill Feminist Ethics Personal Choice and the Use of Reproductive Technologies Sweet Grapes Jean W. Carter,Michael Carter,1998 *The New Arab Man* Marcia C. Inhorn,2012-03-25 Middle Eastern Muslim men have been widely vilified as terrorists religious zealots and brutal oppressors of women The New Arab Man challenges these stereotypes with the stories of ordinary Middle Eastern men as they struggle to overcome infertility and childlessness through assisted reproduction Drawing on two decades of ethnographic research across the Middle East with hundreds of men from a variety of social and religious backgrounds Marcia Inhorn shows how the new Arab man is self consciously rethinking the patriarchal masculinity of his forefathers and unseating received wisdoms This is especially true in childless Middle Eastern marriages where contrary to popular belief infertility is more common among men than women Inhorn captures the marital moral and material commitments of couples undergoing assisted reproduction revealing how new technologies are transforming their lives and religious sensibilities And she looks at the changing manhood of husbands who undertake transnational egg quests set against the backdrop of war and economic uncertainty out of devotion to the infertile wives they love Trenchant and emotionally gripping The New Arab Man traces the emergence of new masculinities
