Met Sally Joshua Louis Moss, 2017-07-18 From immigrant ghetto love stories such as The Cohens and the Kellys 1926 through romantic comedies including Meet the Parents 2000 and Knocked Up 2007 to television series such as Transparent 2014 Jewish Christian couplings have been a staple of popular culture for over a century In these pairings Joshua Louis Moss argues the unruly screen Jew is the privileged representative of progressivism secular modernism and the cosmopolitan sensibilities of the mass media age But his her unruliness is nearly always contained through romantic union with the Anglo Christian partner This Jewish Christian meta narrative has recurred time and again as one of the most powerful and enduring although unrecognized mass culture fantasies Using the innovative framework of coupling theory Why Harry Met Sally surveys three major waves of Jewish Christian couplings in popular American literature theater film and television Moss explores how first wave European and American creators in the early twentieth century used such couplings as an extension of modernist sensibilities and the American melting pot He then looks at how New Hollywood of the late 1960s revived these couplings as a sexually provocative response to the political conservatism and representational absences of postwar America Finally Moss identifies the third wave as emerging in television sitcoms Broadway musicals and gross out film comedies to grapple with the impact of American economic globalism since the 1990s He demonstrates that whether perceived as a

threat or a triumph Jewish Christian couplings provide a visceral easily graspable template for understanding the rapid transformations of an increasingly globalized world **Au Revoir, Tristesse** Viv Groskop, 2020-06-09 Groskop skillfully juggles memoir biography philosophy and literary criticism to create a delightful tour through some of French literature's greats Madeline Miller New York Times bestselling author Like many people the world over Viv Groskop wishes she was a little more French A writer comedian and journalist Groskop studied the language obsessively starting at age 11 and spent every vacation in France desperate to escape her Englishness and to have some French chic rub off on her In *Au Revoir Tristesse* Groskop mixes literary history and memoir to explore how the classics of French literature can infuse our lives with joie de vivre and teach us how to say goodbye to sadness From the frothy hedonism of Colette and the wit of Cyrano de Bergerac to the intoxicating universe of Marguerite Duras and the heady passions of *Les Liaisons dangereuses* this is a love letter to great French writers With chapters on Marcel Proust Victor Hugo Gustave Flaubert Stendhal Honoré de Balzac Albert Camus and of course Françoise Sagan this is a delectable read for book lovers everywhere Ms Groskop is a skilled raconteuse who brings people and the page to life She writes with a self-deprecating appreciation of the Frenchman or woman *manqu'e* that lurks in us all You don't have to be a savant to enjoy this book *Au Revoir Tristesse* will make a witty seductive companion The Wall Street Journal Groskop's combination of her own memories what the novels meant to her at different stages in her life her description of the authors along with her description of the novels will have readers eagerly turning the book's pages Forbes **New York Magazine**, 1989-08-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine**, 1989-08-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine**, 1989-09-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine**, 1989-08-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography
