When Is Spring Recess In Utah:

Spring Break Gerald Elias, 2017-08-01 While teaching a master class at an elite music conservatory the blind violinist and amateur sleuth give an extra lesson in how to catch a killer When the Kinderhoek Conservatory of Music in Upstate New York has a last minute cancellation for its Going for Baroque festival they call on virtuoso violinist Daniel Jacobus to sit in on panels and teach a master class While his expertise in musicology is as noteworthy as his roster of former students the reclusive curmudgeon's brusque manner is a shock to the genteel Kinderhoek community But not nearly as shocking as murder When a renowned faculty member dies of apparently natural causes Jacobus's finely attuned ear alerts him to the fact that something is terribly amiss As he roots out false notes and false claims among the students and faculty he soon discovers that beneath their civil tone is a secondary theme of harassment and deadly corruption Readers will enjoy spending time in the company of the curmudgeonly Jacobus and many will welcome the absence of fisticuffs car chases and Glock's Publishers Weekly A very good entry in a reliable series Booklist [Building a Better Tomorrow](#), 2000 [Public Roads](#), 2007
