Time Stood Still In A Muddy Hole Pat Strickson, 2018-06-07 A chance finding of a watercolour began the author's journey of discovery leading to the remarkable and heroic acts by the artist AFJ Hannaford and his colleagues The author enthusiastically pieced together his life story and was gripped by coincidences stirred by the passionate heartache present in his many notes also heard in his conversations filmed for a Channel 4 documentary and an interview for the Imperial War Museum The search lead to dark and dangerous times and brave men blown up doing their job It unearthed the secrecy surrounding their acts of courage and the often untimely end of their young lives from booby trapped enemy bombs and tragically from our own mine clearance Captain John Hannaford Royal Engineer Bomb Disposal Officer WWII was a leader of men at 24 He was told he would have only 10 weeks life expectancy in that job But he died on Armistice Day 2015 at the age of 98 He was one of the last surviving officers never forgetting still hearing the voices of those young men from the Royal Engineers Bomb Disposal 8 Section 16 Company blown up on a beach in South Wales The author hopes that this record will show that the officers and men who died should receive the recognition for their bravery and sacrifice that John so longed for

Watkins Leigh Ribble D.D.,2010-05-17 During the 1920s and early 1930s the people of the Blue Ridge Mountains of Virginia were living thinking and working as their forefathers had done for centuries Their resistance to change extended to most areas of their lives including their archaic way of speaking the low position of women in the mountain home and society and their outdated farming methods that drained the land of its productiveness each succeeding year Their invariable response to suggestions for change was hostile This is the way my pa did it and it was the way his pa did it We ain t never done no different Since those days especially after the establishment of the Shenandoah National Park in 1935 vast changes have

swept this primitive civilization away and the picturesque mountaineer of story and legend has become a fading memory Early in his ministry Dr Ribble worked as a missionary among these hardy but culturally isolated Blue Ridge Mountain people In his book *Where Time Stood Still* he recounts delightful stories about the Blue Ridge Mountain folk painting a vivid portrait of these mountaineers A few of these stories involve the stereotypical hillbilly such as shotgun weddings and illegal moonshining On the whole however his stories paint a much more complete and sympathetic picture of these mountain people whom he came to know well and for whom he came to feel great respect and affection
