When We Were Sisters Beth Miller, 2014-08-28 I never think of Laura as my step sister but that's what she is Once they were the best of friends inseparable as only teenage girls can be That is until Miffy's Jewish father runs off with Laura's Catholic mother and both of their families imploded as well as Laura's intense relationship with Miffy's brother Twenty years on they're all about to meet again

Once We Were Sisters Sheila Kohler, 2017-01-17 ONE OF PEOPLE MAGAZINE'S BEST NEW BOOKS A searing and intimate memoir about love turned deadly The BBC An intimate illumination of sisterhood and loss People When Sheila Kohler was thirty seven she received the heart stopping news that her sister Maxine only two years older was killed when her husband drove them off a deserted road in Johannesburg Stunned by the news she immediately

flew back to the country where she was born determined to find answers and forced to reckon with his history of violence and the lingering effects of their most unusual childhood one marked by death and the misguided love of their mother In her signature spare and incisive prose Sheila Kohler recounts the lives she and her sister led Flashing back to their storybook childhood at the family estate Crossways Kohler tells of the death of her father when she and Maxine were girls which led to the family abandoning their house and the girls being raised by their mother at turns distant and suffocating We follow them to the cloistered Anglican boarding school where they first learn of separation and later their studies in Rome and Paris where they plan grand lives for themselves lives that are interrupted when both marry young and discover they have made poor choices Kohler evokes the bond between sisters and shows how that bond changes but never breaks even after death A beautiful and disturbing memoir of a beloved sister who died at the age of thirty nine in circumstances that strongly suggest murder Highly recommended Joyce Carol Oates

When We Were Sisters ,2016 **When We Were Sisters** Cynthia Ellingsen,2023 As two estranged sisters spend the summer renovating the beach house they inherited from their grandmother they learn the bonds of sisterhood never fade and confront secrets thought long buried Jayne hasn t seen her sister Charlotte since that last childhood holiday at their grandmother s North Carolina beach house Separated after that summer by their parents in a bitter divorce Charlotte has never forgiven Jayne for not fighting to stay together So when Jayne discovers that they have both inherited the beach house and that their grandmother s last wish was for them to renovate it together it feels like a miracle one last chance to win her sister back At first the task at hands feels very business like and professional But slowly the memories of swimming races and storytelling in their attic bedroom looking over the sea start to break down the wall between them as they re breaking down real walls Jayne and Charlotte start to open up to each other about their shared past and realize how different it was for each of them But the question is can they each let go of their resentments to move forward together as sisters once again
