When We Were The Kennedys A Memoir From Mexico Maine:

When We Were the Kennedys Monica Wood, 2012 Wood offers a moving memoir of the season in 1963 Mexico Maine as she her mother and her three sisters healed after the loss of their mill worker father and then the nation s loss of its handsome young Catholic president

When We Were the Kennedys Monica Wood, 2012-07-10 Winner of the Sarton Memoir Award A marvel of storytelling layered and rich an account of one family s grief love and resilience Maine Sunday Telegram Mexico Maine 1963 The Wood family is much like its close Catholic immigrant neighbors all dependent on the fathers wages from the Oxford Paper Company But when Dad suddenly dies on his way to work Mum and the four deeply connected Wood girls are set adrift When We Were the Kennedys is the story of how a family a town and then a nation mourns and finds the strength to move on Intimate but expansive A tender memoir of a very different time O The Oprah Magazine Every few years a memoir comes along that revitalizes the form With generous precise and unsentimental prose Monica Wood brilliantly achieves this When We Were the Kennedys is a deeply moving gem Andre Dubus III 1 New York Times bestselling author On her own terms wry and empathetic Wood locates the melodies in the aftershock of sudden loss The Boston Globe This is an extraordinarily moving book so carefully and artfully realized about loss and life and love Monica Wood displays all her superb novelistic skills in this breathtaking evocative new memoir Wow Ken Burns filmmaker A gorgeous gripping memoir I don t know that I ve ever pulled so hard for a family When We Were the Kennedys captures a shimmering mill town world on the edge of oblivion in a voice that brims with hope feeling and wonder The book humbles and soars Mike Paterniti New York Times bestselling author

Hidden Places Joseph Conforti, 2020-03-24 Across decades Maine has produced nationally recognized novelists of place based fiction From the late nineteenth century to the present writers have explored the experiences of living in far flung settings island and coastal villages northwoods lumbering communities unincorporated townships backcountry hamlets and mill cities and towns Taken together their body of work composes a remarkable literary map of a diverse and changing Maine Hidden Places explores the identity of Maine through its writers and the people and places they captured at moments in time Hidden Places traces the work of these writers to provoke readers into seeing and understanding Maine places with new awareness These Maine writers construe place as both a territory on the ground and a country of the imagination They help insiders see more clearly what is distinctive about their communities and encourage outsiders to better understand what might seem quaint or odd about the state Like a well drawn atlas Hidden Places seeks to capture a diverse state at the granular level one representation at a time It explores the identity of Maine through its writers and the people and places they wrote of

Writing Hard Stories Melanie Brooks, 2017-02-07 Some of the country s most admired authors including Andre Dubus III Mark Doty Marianne Leone Michael Patrick MacDonald Richard Blanco Abigail Thomas Kate Bornstein Jerald Walker and Kyoko Mori describe their treks through dark memories and breakthrough moments and attest to the healing power of putting words to experience What does it take to write an honest memoir And what happens to us when we embark on that journey Melanie Brooks sought guidance from the memoirists who most moved her to answer these questions Called an essential book for creative writers by Poets about violence and shunning and about the process of writing It will serve as a tool for teachers of writing and give readers an intimate look into the lives of the authors they love Authors profiled in Writing Hard Stories Andre Dubus III Sue William Silverman Michael Patrick MacDonald Joan Wickersham Kyoko Mori Richard Hoffman Suzanne Strempek Shea Abigail Thomas Monica Wood Mark Doty Edwidge Danticat Marianne Leone Jerald Walker Kate Bornstein Jessica Handler Richard Blanco Alysia Abbott and Kim Stafford

Insights from Writing Hard Stories Why we endeavor collectively to write a book or paint a canvas or write a symphony is to understand who we are as human beings and it s that shared knowledge that somehow helps us to survive Richard Blanco Here s what you need to understand your brothers or family or friends are going to have their own stories to tell You don t have to tell the family story You have to tell your story of being in that family Andre Dubus III We all need a way to express or make something out of experiences that otherwise have no meaning If what you want is clarity and meaning you have to break the secrets over your knee and make something of those ingredients Abigail Thomas What we remember and how we remember it really tells us how we became who we became Michael Patrick MacDonald The reason I write memoir is to be able to see the experience itself I hardly know what I think until I write Writing is a way to organize your life give it a frame give it a structure so that you can really see what it was that happened Sue William Silverman After a while in the process you have some distance and you start thinking of it as a story not as your story It was a personal grief but no longer personal It s something that has not just happened to me and my family but something that s happened in the world Edwidge Danticat Tibetan Buddhists believe that eloquence is the telling of a truth in such a way that it eases suffering The more suffering that is eased by your telling of the truth the more eloquent you are That s all you can really hope for being eloquent in that fashion All you have to do is respond to your story honestly and that s the ideal Kate Bornstein You can never entirely redeem the experience You can t make it not hurt anymore But you can make it beautiful enough so that there

s something to balance it in the other scale And if you understand that word beautiful as not necessarily pretty then you re getting close to recognizing the integrative power of restoring the balance which is restoring the truth Richard Hoffman

Coming of Age in a Hardscrabble World Nancy C. Atwood, Roger Atwood, 2019-09-01 Nonfiction storytelling is at its best in this anthology of excerpts from memoirs by thirty authors some eminent some less well known who grew up tough and talented in working class America Their stories selected from literary memoirs published between 1982 and 2014 cover episodes from childhood to young adulthood within a spectrum of life changing experiences Although diverse ethnically racially geographically and in sexual orientation these writers share a youthful precocity and determination to find opportunity where little appeared to exist All of these perspectives are explored within the larger context of economic insecurity a needed perspective in this time of growing inequality These memoirists grew up in families that led hardscrabble lives in which struggle and strenuous effort were the norm Their stories offer insight on the realities of class in America as well as inspiration and hope

Shredding Paper Michael G. Hillard, 2021-01-15 From the early twentieth century until the 1960s Maine led the nation in paper production The state could have earned a reputation as the Detroit of paper production however the industry eventually slid toward failure What happened Shredding Paper unwraps the changing US political economy since 1960 uncovers how the paper industry defined and interacted with labor relations and peels away the layers of history that encompassed the rise and fall of Maine s mighty paper industry Michael G Hillard deconstructs the paper industry s unusual technological and economic histories For a century the story of the nation s most widely read glossy magazines and card stock was one of capitalism work accommodation and struggle Local paper companies in Maine dominated the political landscape controlling economic workplace land use and water use policies Hillard examines the many contributing factors surrounding how Maine became a paper powerhouse and then shows how it lost that position to changing times and foreign interests Through a retelling of labor relations and worker experiences from the late nineteenth century up until the late 1990s Hillard highlights how national conglomerates began absorbing family owned companies over time which were subject to Wall Street demands for greater short term profits after 1980 This new political economy impacted the economy of the entire state and destroyed Maine s once vaunted paper industry Shredding Paper truthfully and transparently tells the great and grim story of blue collar workers and their families and analyzes how paper workers formulated a folk version of capitalism s history in their industry Ultimately Hillard offers a telling example of the demise of big industry in the United States

Ingrained Habits Mary Ellen O'Donnell, 2018-03-09 Born Catholic Raised Catholic Americans across generations have used these phrases to describe their formative days but the experience of growing up Catholic in the United States has changed over the last several decades While the creed and the sacraments remain the same the context for learning the faith has transformed As a result of demographic shifts and theological developments children face a different set of circumstances today from what they encountered during the mid twentieth century Through a close

study of autobiographical and fictional texts that depict the experience Ingrained Habits explores the intimate details of everyday life for children growing up Catholic during the 1940s 50s and 60s These literary portrayals present upbringings characterized by an all encompassing encounter with religion The adult authors of such writings run the gamut from vowed priests to unwavering atheists and their depictions range from glowing nostalgia to deep seated resentment however they curiously describe similar experiences from their childhood days in the Church **The Melancholy of Departure** Alfred DePew,2013-08-18 Winner of the Flannery O Connor Award for Short Fiction Filled with sharp dialogue engaging characters and offbeat detail the twelve stories collected in The Melancholy of Departure describe an outsider s world of longing disillusion and survival where hope is found in unexpected places and understanding comes from unlikely sources Fully aware of the dangers that await us all loneliness commitment heartbreak love the men and women in this collection call out to us from the fringes of society they are prophets whose messages fall on uninterested ears The Writers Directory ,2013

The Kennedys Harvey Rachlin,1986 **Brothers in Arms** Gus Russo,Stephen Molton,2008-10-28 Using breakthrough reporting Russo and Molton craft a dramatic retelling of the time before during and after the John F Kennedy assassination a groundbreaking review of the historical drama linking the Kennedys and the Castros that sheds new light on this pivotal event Senior High School Library Catalog ,1975 The New York Times Book Review ,1986-07 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Stepping Stones** Alice Lynd,Staughton Lynd,2009 Stepping Stones is a joint memoir by two longtime participants in movements for social change in the United States Staughton and Alice Lynd have worked for racial equality against war with workers and prisoners and against the death penalty Coming from similar ethical backgrounds but with very different personalities the Lynds spent three years in an intentional community in Northeast Georgia during the 1950s There they experienced a way of living that they later sought to carry into the larger society Both were educated to be teachers Staughton as a professor of history and Alice as a teacher of preschool children But both sought to address the social problems of their times through more than their professions After being involved in the Southern civil rights movement and the movement against the war in Vietnam in the 1960s both Staughton and Alice became lawyers In the Youngstown Ohio area they helped workers to create a variety of rank and file organizations After retirement they became advocates for prisoners who were sentenced to death or confined under supermaximum security conditions Through trips to Central America in the 1980s Staughton and Alice became familiar with the concept of accompaniment To them accompaniment means placing themselves at the side of the poor and oppressed not as dispensers of charity or as guilty fugitives from the middle class but as equals in a joint process to which each person brings an essential kind of expertise Throughout the Lynds who became Quakers in the early 1960s have been committed to nonviolence Their story will encourage young people seeking lives of public service in the cause of creating a better world **Vanity Fair**
