balance of dark and light magic as well as the deep pull of male to female The Enchanting Emperor Yi Dianxingdong,2019-10-21 The birth of Zhu Youyu was a conspiracy a chess piece used by others The birth of Zhang Siyan was a death and his grandmother was an obstacle that had to be removed So Zhu Youjin became the Emperor who disguised herself as a man and Zhang Siyan became the Queen who disguised herself as a woman The two people who had lived in hypocrisy since they were young probed her step by step They fell in love with each other little by little and relied on each other for their happiness and misfortune so how could they change their lives and become the one and only empress in the annals of history The Emperor's Guest John Fletcher-Cooke,2012-05-20 Seen through the eyes of John Fletcher Cooke the horrifying but by now often told story of the treatment meted out by the Japanese to their prisoners of war takes on an entirely new light His is a book written without bitterness but at the same time a book which does not look back on suffering shared in the self congratulatory spirit of an old comrades reunion For Sir John has two remarkable advantages one possible unique and the other certainly very rare Firstly throughout his captivity he kept a diary on which this book is based and which as the reader will discover he was almost unbelievably lucky to preserve Secondly as the reader will discover by reading between the lines he never for one moment gave way to despair During his years as a prisoner of war he witnessed and was subjected to a wider spectrum of mans inhumanity to man than he could have expected to experience had Torquemada himself been his tutor To say the he emerged from his descent into hell a wiser and better man is not to condone is suffering It only emphasizes the fact that indomitable courage and great strength of character are often revealed only in adversity Sir John subsequently revisited Japan and the places where he was imprisoned He also met some of the men who had once been his persecutors The final chapters of this very remarkable book reveal once again the humanity compassion and understanding which enabled him to survive when so many others died **Promise You the Rest of My Life** Pao Mian,2020-01-06 After Shanshan entered the palace he was conferred with the status of an ordinary person In order to prevent himself from being captured Hong Xin sent his daughter to the palace with great ferocity Shan knew she couldn t resist so she packed and prepared to enter the palace The day before he entered the palace Shan said goodbye to her lover Under Mao s cold pleading Shan left Shanshan cried as he was called over to comfort his parents Hong Xin knew that she was reluctant to part with her boyfriend She promised to take good care of him Shanshan left for the capital before daybreak When the carriage reached a Town she met a thief As she had no money she could only inquire along the way Since the emperor could not see Shanshan he sent someone to the Hong Residence Hong Xin knew that his daughter was in danger and sent someone to look for her After asking around he found Shanshan and then sent her to the capital He had offended Noble Consort Feng on his first day in the palace Noble Consort Feng invited Shan Shan to his bedchamber just in time for the Emperor to come Noble Consort Feng held the emperor s hand showing his special affection During his speech the emperor had seen Shanshan many times With the excuse of reprimanding him he took Shanshan away and spread the news
