Deeper Debbie Alsdorf, 2008-02-01. We often believe things about ourselves that do not line up with God's truth. We think our worth is based on performance or possessions that we have to be perfect to be loved, or that we're too ordinary to be used by God. *Deeper* tears down these lies and teaches women to replace them with four truths from Psalm 139: God knows me, he protects me, he made me, he values me. Using compelling narrative and Scripture, *Deeper* helps women transform their lives by trusting in the reality of God's love. Instead of striving for perfection and worth, readers can rest in the truth that they are his.

Is Who I Am Raquel Cheers,2025-02-19 The hardest thing for Anna to do was to surrender Dying to her flesh her will her plans and desires troubled her Why Life was passing her by and there was not anything to show for it She felt ashamed Everyone had houses land families and businesses Anna had none of these She did the right things She went to worship kept the commandments saved herself for marriage and served the Lord Decades would pass and nothing Alone now forty seven she felt rejected No Boaz for her A vessel unto honor was Anna with no jewels Others would look and question her What are you waiting for Deep within her she knew God had something more for her She kept the faith She stood the test of time and resisted temptation Anna refused to be distracted and focused on God and His will She knew the plans for her were big With the words run the race that is set before you Anna stayed on course She prayed to be a jewel in God s crown As she lay at His feet she prayed that God would cover her with His skirt That she would want for nothing And God promised to set her on top of the mountain bless her and silence the naysayers She knew that God would exalt her in time and grant her permission to release His mysteries to a world that views life blindly Release mysteries to a world oblivious of a savior who was born to change humanity Anna according to Luke got several paragraphs But Anna birthed a savior from eternity into time What an honor to see victory and be a part of history Who was Anna Anna was a mystery with a mystery Thank God for redemption The Gift of Prophetic Encouragement Debbie Kitterman,2018-08-21 Change the World around You through a Lifestyle of Encouragement From the beginning God has been communicating with mankind just as he did when he talked with Adam and Eve in the Garden Yet far too many people believe that talking with God is extraordinary when in fact it should be an ordinary part of our Christian life Jesus modeled this two way conversation He also embraced a lifestyle of encouragement changing the atmosphere and lives of people everywhere he went We can do the same Full of powerful testimonies and practical application this book will help you break out of your comfort zone and embrace a lifestyle of encouraging others just as Jesus did You will learn how to deepen your relationship with God open a direct line of communication with him and share his words with others **Run Your Race** Billy Epperhart,2023-01-17 Get Off the Sidelines and Run the Exhilarating Race of Your Life Do you feel sidelined or lacking in clarity and yet still pressured to succeed You want a life that matters but have you figured out what that looks like and how to get there Billy Epperhart entrepreneurial consultant and CEO of Andrew Wommack Ministries and Charis Bible **Step Forward** Winifred Enuke,2012-10-31 CHAPTER THREE FEARS Have you ever found yourself convincing yourself why you should not embark on some new enterprise or another How often do you do this is it a habit with you In other words you are not in the habit of always telling yourself why you should try a lot of new ventures rather you do the opposite and worse still you even do it to your friends You always discourage your friends from trying something new and you may not even know it seeing it has become such a part of you Did you know this is based on your inner fears Do not worry because we all have

them and it is because so much garbage has been programmed into our lives over the years from our birth by society or by bad influence and it continues to happen everyday It is reality for you when you have lived a certain experience no one can tell you it did not happen when it happened to you Let us look at an example of how our mind convinces us even when we may not be very conscious it is happening Did you know that as real as something may seem to you it may also be a lie in fact most of the time when there is no factual evidence to disprove it then it is a lie and we buy into this lie You had an opportunity to get involved with a jewelry business You are excited about it because of the manner it was presented to you Then your mind goes to work on you fear you begin to see yourself having to wear this jewelry as part of your advertising You know the compliments you have received on how beautiful they wear on you especially how you accessorize with them so you are now getting used to this life style and feel you should keep most of what you should be selling it is not free So your mind is telling you at this point of how much money you are loosing while selling this jewelry It tells you how much you have purchased for yourself and how much you have actually sold Mind you you have not yet started this business but it has been presented to you and you do love it because you love jewelry Now having rehearsed allthe above scenario in your mind you have convinced yourself why you should not even try it much less do it Then your mind reminds you of the last thing you sold coffee real gourmet coffee You drank so much coffee with your family and ended up with even much more in your pantry Most parties you got invited to you would take coffee as your party gift You made a little sale but somehow it did not go quite as you anticipated to your dismay At some point your friends stopped inviting you to their parties so you would stop giving them your gift of gourmet coffee It was disaster and you do not plan on trying it again Wow If I were your friend or you I am convinced already I will certainly not try it But think about the word TRY How convincing is that word TRY is a word we often use when we are not sure of something so we say I will TRY But we do not feel strongly about it so we should really not bother at all till we are convinced it is something we want to do It is much more affirmative when we say I will DO this or that From the get go we are convinced it is something we like and are willing to put our all into it There is no FEAR there This is exactly how quickly we buy into lies as a result of the fears we harbor and I will go into it later on in this chapter to talk to you about the root cause of FEAR As soon as you recognize it you will be delivered from it through a simple prayer Let us look at Amy and Pam two good friends in their 5th grade both 11years old It is the beginning of summer and their families were both planning summer vacation but they will be driving to their location out of state to see wonderful sites and have a great family time and some adventure too Both Amy and Pam decided they wanted to make some vacation money so they can spend it on shopping for their friends and themselves in buying souvenirs and some memorabilia they can show off for having had a great summer They knew their pocke
