Horner, S. Zlosnik, 1998-04-08 Daphne du Maurier Writing Identity and the Gothic Imagination is the first full length evaluation of du Maurier s fiction and the first critical study of du Maurier as a Gothic writer Horner and Zlosnik argue that the fears at the heart of du Maurier s Gothic fictions reflect both personal and broader cultural anxieties concerning sexual and social identity Using the most recent work in Gothic and gender studies they enter the current debate on the nature of Female Gothic and raise questions about du Maurier s relationship to such a tradition

The Man Who Wrote the Perfect Novel Charles J. Shields, 2018-10-15 An engrossing biography of a brilliant novelist underappreciated in his own time who became a twenty first century bestseller from the New York Times bestselling author *The New Yorker* When *Stoner* was published in 1965 the novel sold only a couple of thousand copies before disappearing with hardly a trace Yet the quietly powerful tale of Midwestern college professor William Stoner whose life becomes a parable of solitude and anguish eventually found an admiring audience in America and especially in Europe The New York Times called *Stoner* a perfect novel and a host of writers and critics including Colum McCann Julian Barnes Bret Easton Ellis Ian McEwan Emma Straub Ruth Rendell C P Snow and Irving Howe praised its artistry The New Yorker deemed it a masterly portrait of a truly virtuous and dedicated man This biography traces the life of *Stoner*'s author John Williams Charles J

Shields follows the whole arc of Williams's life which in many ways paralleled that of his titular character from their shared working class backgrounds to their undistinguished careers in academia. Shields vividly recounts Williams's development as an author whose other works include the novels *Butcher's Crossing* and *Augustus* for the latter Williams shared the 1972 National Book Award. Shields also reveals the astonishing afterlife of *Stoner* which garnered new fans with each American reissue and then became a bestseller all over Europe after a Dutch publisher brought out a translation in 2013. Since then *Stoner* has been published in twenty one countries and sold over a million copies. Like Williams Shields know how to tell a good story one that will appeal especially to those interested in the ins and outs of the publishing industry and the ups and downs of a writer's life. **Los Angeles Review of Books**

Dorie and Me Liz Hamlin, 2004 When young Chris Dutton and his mother Dorie strolled into a pawnshop in Idaho Falls to kill a few lonely hours they had no way to know that the used trumpet Chris bought and the second hand L C Smith typewriter Dorie proudly carried away would eventually change their lives forever. Chris father Ross Dutton was determined to reach the top rung of Ace Corporation's ladder by constantly agreeing to relocate whenever and wherever the big wheels at home office dictated. By the time his father was transferred from the Far West to the Deep South Chris and Dorie had learned the bitter lesson that the only way to avoid the pain of saying good bye to places and people was not to say hello. While Ross basked in success by complacently accepting the Southern way of life Chris and Dorie turned to the trumpet and the typewriter to help them bridge the gap of loneliness they fell into each time Ross took another step up the corporate ladder by complacently accepting the cultural and political chaos which was taking place in the South in the early 1960's. Dorie privately retained her personal beliefs while advising Chris to When in Rome eat Spaghetti. The emotional wall which Dorie and Chris constructed around themselves began to crumble when Chris and his trumpet were drafted by the school principal to form a six boy band and Dorie again got out her L C Smith typewriter and resumed working on a manuscript she had begun writing in Idaho. It's just a simple little love story she called it. When the simple little love story was published its words spread across Dixie like kudzu vines. Violence erupted Blood was shed Lives were forever changed
