The God Of Christianity:

The Gods of Christianity Brian Dennis,2020-02-18 The fact that surprisingly few Christians actually know and experience the mighty God we preach about teach about and sing about is evidenced by the abundance of doubt worry and fear that permeate our lives It is evidenced by the lack of faith and power exemplified in our Churches It is evidenced by the ordinary lives we live while claiming to be children of the most high God The resulting inconsistencies between the things we boldly profess and the things we commonly practice have unfortunately become accepted as normal Christian behavior We no longer expect anything more not from our own lives not from the Church not even from God Himself This lack of expectancy this lack of faith in the faithfulness of God clearly indicates a distinct difference between the God we preach and the God we have personally come to know It reveals that we do not know the very God we proclaim We do not know the God of the Bible for if we knew Him the Church would indeed be an eminent light shining in the darkness a city set on a hill an indelible force against which the powers of this present evil world could not prevail The God we do know however the God with whom so many Christians have become familiar unfortunately allows us to live comfortably in the weakness of our complacency and blatant disbelief We live far below the high calling that Christ has placed upon His Church We walk in ways that deny the very power and authority that belong to the children of God We do not live by faith Sadly we have learned to live in such a way as to where there is no distinguishable difference between the lives of those who claim to know Christ and the lives of those who do not no distinguishable difference between the Church and the world The good news is that the truth remains The God of the Bible is still there He can do no other than prove Himself faithful to those who hunger and thirst after righteousness to those who hear His voice and obey Yes to those who would yet have a heart to know Him He is there to be known We must first however lay aside all notions of the small God we have come to know and we must dare to see Him as He is if we are to rise above the routine of cultural Christianity and walk in the truth of knowing Christ

Which God? Jesus, Holy Spirit, God in Christianity and Islam Senior Research Fellow Mark Durie,William J Murray,2014-12-08 Do we worship the same God Today many are asking this question In Which God Durie demonstrates that Christians have good reasons to challenge the Islamic position that Allah of the Quran is the same as the God of the Bible Which God compares the God of the Bible with Allah of the Quran and shows that these are different in many respects They have such different personalities and distinct capacities that they cannot be said to be the same More than this the Islamic Jesus Isa is different in fundamental respects from Jesus of the Gospels Durie concludes that the concept of Abrahamic Religions is an unhelpful and misleading label for the monotheistic faiths of Judaism Christianity and Islam This is a new revised edition which includes a Foreword by William J Murray

The God of Jesus David A. Kroll,2012-12-26 Jesus said the Father is the one and only true God John 5 43 44 17 3 Apostle Paul taught the same thing 1 Corinthians 8 4 6 11 3 1Timothy 2 5 Jesus said the Father is greater than

Him and that He receives his life from the Father John 14 28 5 26 Yet Christian theology teaches Jesus is also the one and only true God is equal with the Father and has existed eternally with the Father in an indwelling relationship of Father Son and Spirit The Bible repeatedly speaks of God the Father You will not find the phrase God the Son or God the Spirit in the Scriptures The Bible consistently speaks of the Son of God and Spirit of God but never speaks of the Father of God In The God OF Jesus it will be demonstrated that the reason the Bible never speaks of God the Son God the Spirit or the Father of God is because the Father and only the Father IS God It will be clearly shown who Jesus is and what the Spirit is in relation to who God is **The God of the bible** Robert P. Lightner,1985-06 **The God Who Speaks Life** Andrew

Errington,2017-10-28 Who is the God of the Bible and what does it mean to have faith in him This book gets to the heart of the issues without taking too long about it God we learn is the God who is Creator Judge Saviour Life Giver and Trinity Everything about the Christian faith flows out of that reality **The Existence and Attributes of God, Volume 7 of 50**

Greatest Christian Classics, 2 Volumes in 1 Stephen Charnock,2008-09 The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock 1628 1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God s attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God s existence and attributes Charnock displays God s attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more Christianity Versus the God of Calvin

John H Boyd,2006 **When Did God Become a Christian? Leader Guide** David Kalas,2017-03-07 Why does the God of the Old Testament seem so different from the God of the New Testament Throughout history seasoned church goers and

newcomers to the Christian faith have all struggled with this question In When Did God Become a Christian David Kalas identifies some common experiences troublesome passages and natural reactions that we all encounter while reconciling the God of both the Old and New Testaments In twelve chapters Kalas explores the unity of Scripture biblical history and the two primary attributes of God love and holiness to help readers clarify the integrity of the nature of God With a better understanding of the Bible s unity and of God s integrity they will come to love worship and trust God more The Leader Guide contains everything needed to guide a group through the six week study including session plans and discussion questions as well as multiple format options

Revisiting the God-fearer Thesis in the Development of Early Christianity Thomas A. Robinson, 2025-09-04 This volume examines in depth the theory evidence and trail of scholarly work on god fearers Thomas A Robinson argues for substantial revisions in the depiction of the god fearer phenomenon the story of early Christianity and its engagement with both Jews and with the larger Greco Roman population Robinson provides a thorough analysis of the god fearer theory examining scholarly debate and primary literary and inscriptional materials put forward as evidence for the god fearer theory Robinson begins with an exploration of the god fearing community its definition or lack thereof and its role as a bridge to Christianity in the Greco Roman world He then examines the key features of god fearers and the scholarly appeal to circumcision as the primary barrier preventing god fearer conversion to Judaism The volume concludes with an exploration of Luke s Acts and its readers and a thorough investigation of inscriptional and literary evidence supporting god fearer theory

Christianity Be Replaced From there it explores issues as old as time and as new as the inquest into the openness of God How for instance does God risk relate emotive and change Does he do these things and if so why These and other questions are investigated with clarity bringing serious scholarship into popular reach Above all this collection of essays focuses on the nature of God as presented in the Scriptures and as Christians have believed for centuries God Under Fire builds a solid and appealing case for the God of classical Christian theism who in recent years as through the centuries has been the God under fire

God's Wounds: Hermeneutic of the Christian Symbol of Divine Suffering, Volume One Jeff B. Pool, 2009-01-01 This book constitutes the first volume of a three volume study of Christian testimonies to divine suffering God's Wounds Hermeneutic of the Christian Symbol of Divine Suffering Divine Vulnerability and Creation This study first develops an approach to interpreting the contested claims about the suffering of God Thus the larger study focuses its inquiry into the testimonies to divine suffering themselves seeking to allow the voices that attest to divine suffering to speak freely to discover and elucidate the internal logic or rationality of this family of testimonies rather than defending these attestations against the dominant claims of classical Christian theism that have historically sought to eliminate such language altogether from Christian discourse about the nature and life of God Through this approach this volume of studies into the Christian symbol of divine suffering then investigates the two major presuppositions that the larger family of testimonies to divine suffering normally hold an understanding of God through the primary metaphor of love God is love and an understanding of the human as created in the image of God with a life though finite analogous to the divine life the imago Dei as love When fully elaborated these presuppositions reveal the conditions of possibility for divine suffering and divine vulnerability with respect to creation

The Identity of Israel's God in Christian Scripture Don Collett, Mark Elliott, Mark Gignilliat, Ephraim Radner, 2021-01-29 A broad sweeping volume that breaches the walls separating biblical and theological disciplines Biblical scholars and theologians engage an important question Who is Israel's God for Christian readers of the Old Testament For Christians Scripture is the Old and New Testament bound together in a single legacy Contributors approach the question from multiple disciplinary vantage points Essays on both Testaments focus on figural exegesis critical exegesis and the value of diachronic understandings of the Old Testament's compositional history for the sake of a richer synchronic reading This collection is offered in celebration of the life and work of Christopher R Seitz His rich and wide ranging scholarly efforts have provided scholars and students alike a treasure trove of resources related to this critical question
