The Gods Robert Green Ingersoll, 1880 *Yahweh and the Gods and Goddesses of Canaan* John Day, 2010-06-15 This masterly book is the climax of over twenty five years of study of the impact of Canaanite religion and mythology on ancient Israel and the Old Testament It is John Day's magnum opus in which he sets forth all his main arguments and conclusions on the subject The work considers in detail the relationship between Yahweh and the various gods and goddesses of Canaan including the leading gods El and Baal the great goddesses Asherah Astarte and Anat astral deities Sun Moon and Lucifer and underworld deities Mot Resheph Molech and the Rephaim Day assesses both what Yahwism assimilated from these deities and what it came to reject More generally he discusses the impact of Canaanite polytheism on ancient Israel and how monotheism was eventually achieved The Unseen Realm Heiser, Michael S., 2015-09-01 In *The Unseen Realm* Dr Michael Heiser examines the ancient context of Scripture explaining how its supernatural worldview can help us grow in our understanding of God He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight You'll find yourself engaged in an enthusiastic pursuit of the truth resulting in a new appreciation for God's Word Why wasn't Eve surprised when the serpent spoke to her How did descendants of the Nephilim survive the flood Why did Jacob fuse Yahweh and his Angel together in his prayer Who are the assembly of divine beings that God presides over In what way do those beings participate in God's decisions Why do Peter and Jude promote belief in imprisoned spirits Why does Paul describe evil spirits in terms of geographical rulership Who are the glorious ones that even angels dare not rebuke After reading this book you may never read your Bible the same way again Endorsements There is a world referred to in the Scripture that is quite unseen but also quite present and active Michael Heiser's *The Unseen Realm* seeks to unmask this world Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture The book is clear and well done treating many ideas and themes that often go unseen themselves With this book such themes will no longer be neglected so read it and discover a new realm for reflection about what Scripture teaches Darrell L Bock Executive Director for Cultural Engagement Senior Research Professor of New Testament Studies Howard G Hendricks Center for Christian Leadership and Cultural Engagement How was it possible that I had never seen that before Dr Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped No one is going to agree with everything in his book but the subject deserves careful study and so does this book John Goldingay David Allan Hubbard Professor of Old Testament School of Theology Fuller Theological Seminary This is a big book in the

best sense of the term It is big in its scope and in its depth of analysis Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context All scholars clergy and laypeople who read this profound and accessible book will grow in their understanding of both the Old and New Testaments particularly as their eyes are opened to the Bible's unseen world Tremper Longman III Robert H Gundry Professor of Biblical Studies Westmont College *Where the Gods Are* Mark S. Smith, 2016-06-28 The issue of how to represent God is a concern both ancient and contemporary In this wide ranging and authoritative study renowned biblical scholar Mark Smith investigates the symbols meanings and narratives in the Hebrew Bible Ugaritic texts and ancient iconography which attempt to describe deities in relation to humans Smith uses a novel approach to show how the Bible depicts God in human and animal forms and sometimes both together Mediating between the ancients theories and the work of modern thinkers Smith's boldly original work uncovers the foundational understandings of deities and space

The Secrets of the Gods Claudiu Gilian, 2017-03-22 What would it be like to realize one day that everything you believed to be true was nothing but a lie That you lived in an illusion constantly fed by those around you That reality is often diametrically opposed to the chimera that was inoculated to you That to learn the truth you need to forget everything you know What is God Are aliens real Is the material universe just an illusion Why are we here where do we come from and where do we go after death Is Earth a prison Are humans the descendants of the gods of the past Is the Bible just a collection of plagiarized myths Was Christianity invented by Philo of Alexandria Was the Garden of Eden located on the territory of today's Romania Are Lucifer and Adam the same character Is Noah's Ark one of the Giza pyramids Is the Great Pyramid an interdimensional travel device Was the prophet Abraham a descendant of the Akkadian emperor Sargon the Great Was Moses really Pharaoh Akhenaton Is there an unseen war between the Aryan and Semitic races Did Alexander the Great discover the source of life in Dacia Did Pharaoh Tutankhamun's family practice black magic Does the Asteroid Belt come from the Mariana Trench Are the fallen angels at the top of the Masonic pyramid Is time travel possible Is the Apocalypse an event of the past Was Jesus possessed All these questions and many more can be answered by *The Secrets of the Gods* a secret history of the world based on the decoding of ancient myths as well as on the results of modern scientific research A unique and controversial interpretation of universal history which brings to the general public the secrets of the gods until now reserved only for the initiated

Dictionary of the Old Testament: Wisdom, Poetry and Writings TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God

and God's world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm's reach of any student teacher or preacher working in this portion of biblical literature

God-Man Run to God Dr . Tony G. Minyard, 2022-12-12 I have to ask you a question Have you ever needed someone to help you The answer to this simple question is for a person to overcome any obstacle they have to believe in someone or something bigger than themselves in the spiritual realm The source of supernatural power that I write about in this book called The God Man Run to God is a supernatural God Whom you need The purpose of my book is to persuade you the reader to run to God in times of need This is the reason He created us in His image God does understand you because He loves you The chapters in this book are Why We Need God Why Uncharted Waters Why Job The God of Your Fathers I Am Why Moses Why Samson Why Can't You Jesus Did and lastly Why Heart Transplant Ever since the garden of Eden man went from the glory of God covered with His light from the darkness from the fruit of the tree of the knowledge of good and evil This is why we need God He sent Jesus to become that Lamb to die on the Cross so we then now can accept that gift and have a supernatural heart transplant The author hopes that you the reader can have an open mind with the understanding that God wants you to run into His arms again in fellowship This was His plan from the beginning of time One day all of us are going to die and this earthly tent we call our body will decay However our spirit will live in a place called either heaven or hell The author is praying that you the reader will make the right choice and no person can rightly make anyone choose it God has given everything that has breath on earth free will This book was written with a purpose and a God given purpose that guides you to make the right decision The Gods, and Other Lectures
