The End of the Line Gillian Galbraith, 2019-06-06 From the author of the Alice Rice mysteries, an Edinburgh bibliophile uncovers an unsettling mystery surrounding the death of a late professor. After the death of leading hematologist Professor Anstruther, antiquarian book dealer Anthony Sparrow is tasked with clearing out his mansion of its books and papers. He soon begins to question the real circumstances of the old man's death. Was he in fact murdered, and if so, who was responsible? The answer might be found in the personal diaries and letters which Sparrow unearths. But as he closes in on the answer, the perspective suddenly shifts, and everything which he was sure about dissolves into darkness and shadows. Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon, a newsreel, possibly a serial, and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature, or popular vaudeville acts. With the advent of sound on film in the mid to late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s Who's who Henry Robert Addison, Charles Henry Oakes, William John Lawson, Douglas Brooke Wheelton Sladen, 1903. An annual biographical dictionary with which is incorporated Men and women of the time Hammer Complete Howard Maxford, 2019-11-08. Think you know everything there is to know about Hammer Films, the fabled Studio that Dripped Blood. The lowdown on all the imperishable classics of horror like *The Curse of Frankenstein*, *Horror of Dracula*, and *The Devil Rides Out*. What about the company's less blood-curdling back catalog? What about the musicals, comedies, and travelogues, the fantasies and historical epics, not to mention the pirate adventures. This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail, including budgets, shooting schedules, publicity, and more, along with all the actors, supporting players, writers, directors, producers, composers, and technicians. Packed with quotes behind the scenes, anecdotes, credit lists, and production specifics, this all-inclusive reference work is the last word on this cherished cinematic institution **The Billboard**, 1928 **Feature Films, 1960-1969** Harris M. Lentz III, 2009-12-29. This is a filmography in two volumes of not only all of the English language movies made during the 1960s that had a U.S. theatrical release but major foreign films exhibited in the United States as well. The following information is provided for each film: year of release, nation of origin (if other than the U.S.), production or distribution company, black and white or color, running time, genre, production credits, cast and characters, and a brief synopsis. This turbulent decade is unusually interesting in the history of cinema. Those films released in the early part of the decade were similar to those of the 1950s, but as the years passed, the offerings changed in many ways *Publishers Weekly*, 1985
