The Handmaid's Tale Margaret Atwood, 2012-05-15 THE SUNDAY TIMES NO 1 BESTSELLER Discover the dystopian novel that started a phenomenon Offred is a Handmaid in The Republic of Gilead She is placed in the household of The Commander Fred Waterford her assigned name Offred means of Fred She has only one function to breed If Offred refuses to enter into sexual servitude to repopulate a devastated world she will be hanged Yet even a repressive state cannot eradicate hope and desire As she recalls her pre revolution life in flashbacks Offred must navigate through the terrifying landscape of torture and persecution in the present day and between two men upon which her future hangs A fantastic chilling story And so powerfully feminist Bernadine Evaristo As relevant today as it was when Atwood wrote it Guardian

Margaret Atwood's 'The Handmaid's Tale' and 'Oryx and Crake' - A Comparison Martina Schönherr, 2009-09-07 Seminar paper from the year 2007 in the subject English Language and Literature Studies Literature grade 1.3 University of Constance Literaturwissenschaften course Margaret Atwood's Later Fiction language English abstract Margaret Atwood's novels *The Handmaid's Tale* (1985) and *Oryx and Crake* (2003) are works of speculative fiction that are set in the near future Both of the depicted scenarios take place in the U.S.A. and could be classified as survivor's stories as they are told from the perspective of a person that survived the new system or the catastrophe the books deal with *T.H.T.* takes the reader into an oppressive system that has become reality in the year 2051 In this system women are divided into different kinds of functional groups according to their abilities The story is told by the handmaid Offred who as all handmaids is still believed to be fertile Thus she is solely good for childbearing and has not got any choice This system however is confined to the United States so that there is still hope for an escape to a better life for the people living under the system The scenario in *O.C.* on the other hand occurs around the year 2025 and depicts a world wide catastrophe where Snowman the narrator of the story is one of the few surviving human beings This paper will compare the two novels according to some points of analysis I had to confine myself to a few themes as it is impossible to include all topics that could be of importance To start with I will take a look at the social and political background of the time the novels were written in followed by a generic analysis of the works Secondly I will answer the question about the inspiration for these novels and I will deal with the epilogues Atwood added to her books This will be followed by a chapter about the main topics of the novels which are reproduction religion and sexuality Last but not least I will compare the main characters and discuss the message of her works

Margaret Atwood Helene Greven, Hélène Greven-Borde, 1999 *The Handmaid's Tale* 1985 by Canadian writer Margaret Atwood revisits the Anglo American utopian dystopian tradition Appealing to imaginative fiction and the novel of ideas the construction of perfect or

nightmarish worlds rouses the reader's socio-political awareness of the present and invites questions on the shape of the near future. *The Handmaid's Tale* deconstructs the utopian narrative by breaking the chronological order of the female protagonist's experience into a time-shifting testimony, a quest for meaning and an exploration of self versus the other. The intricate play on word and symbol can be read against the historical background of seventeenth-century New England Puritanism as well as the twentieth-century New Right and women's rights movements while inviting reference to the postmodernist outlook. This volume includes a bibliography, a study of the book's context as well as essays and commentaries. The approach has been adapted to the needs of CAPES and Agregation students.
