More Fulton Tales Linda Garrison Brown, 2009-02-27 More Fulton Tales is a collection of 20 short stories set in a south Alabama sawmill town during the 1950s and 60s. These stories are seen through the eyes of a barefoot boy as he grows up in that special place. With a mischievous and tenacious spirit, he makes the journey from childhood to manhood. **Soar (The Empire Chronicles #1)** Alyssa Rose Ivy, 2013-11-17 New Adult Paranormal Romance In the city that never sleeps, the Chronicles continue. Serving coffee is temporary, just like Casey's year off from school. She's going to come up with a plan to stay in New York City and go back to college, and that plan does not involve dating a paranormal creature, let alone two. Running the supernatural society of New York is not as fun as it sounds, especially when you still have to answer to your ex-girlfriend's fiancé. Toby doesn't mean to bring Casey into the chaos of his life, but he can't resist the girl who makes him smile when he thought no one else ever could. Jared's in New York checking out a security risk for his best friend, the king. He plans to return to New Orleans quickly, but not if it means losing his chance with the brunette who pretends she wants nothing to do with him. In over her head with a bunch of winged creatures who most definitely are not angels, Casey has to figure out who to trust with her life and maybe her heart. **Shaken Not Stirred** Alyssa Rose Ivy, Finding the perfect guy is like mixing the perfect drink. It's all about the taste and presentation. Maddy's gone off the deep end, at least that's what her family thinks when she handles her med school rejections by moving to the Outer Banks. It doesn't help that she's paying her bills by bartending and is sharing walls with two guys, even if one of them is her childhood best friend. Her choice of men seems more balanced on the surface. Colin is driven, sexy, and gainfully employed, but she can't help spending her Thursday nights searching for the perfect drink for Lyle, whose music captivates her with its haunting lyrics. Maddy believes everyone has a perfect drink, and finding Lyle isn't a challenge; she's willing to lose. New Adult Romance **Flight (The Crescent Chronicles #1)** Alyssa Rose Ivy, 2012-08-15 Sometimes you just have to take flight. A summer in New Orleans is exactly what Allie needs before starting college. Accepting her dad's invitation to work at his hotel offers an escape from her ex-boyfriend and the chance to spend the summer with her best friend. Meeting a guy is the last thing on her mind until she sees Levi. Unable to resist the infuriating yet alluring Levi, Allie finds herself at the center of a supernatural society and forced to decide between following the path she has always trusted or saving a city that might just save her. Mature YA/NA Paranormal Romance **Focus (The Crescent Chronicles #2)** Alyssa Rose Ivy, 2013-01-25 Freshman year of college is hard, even when you're not tied to the future king of a supernatural society. Allie dives into college head first with Hailey as her roommate and the city of New Orleans as her backyard. As things within The Society heat up, Allie realizes that whether she's with Levi or not, she's in far too deep to turn back. intelligence and confidence Right Risk is about taking more deliberate and intentional risks in an increasingly complex world It aims to answer such questions as How do I know which risks to take and which to avoid How do I balance the need to take more risks with the need to preserve my safety How do I muster up the courage to take risks when it is so much easier not to How do I confront all those people who keep telling me what a mistake it would be to take the risk And most importantly How do I make risk taking less of an anxiety provoking experience Right Risk will help readers take risks with greater discipline focus and maturity to confidently face life s challenges and take advantage of life s opportunities **Occupational Hazards**
