The Headmaster's Wager Vincent Lam, 2024-07-09 From Giller Prize winner internationally acclaimed and bestselling author Vincent Lam comes a superbly crafted highly suspenseful and deeply affecting novel set against the turmoil of the Vietnam War Percival Chen is the headmaster of the most respected English school in Saigon He is also a bon vivant a compulsive gambler and an incorrigible womanizer He is well accustomed to bribing a forever changing list of government officials in order to maintain the elite status of the Chen Academy He is fiercely proud of his Chinese heritage and quick to spot the business opportunities rife in a divided country He devotedly ignores all news of the fighting that swirls around him choosing instead to read the faces of his opponents at high stakes mahjong tables But when his only son gets in trouble with the Vietnamese authorities Percival faces the limits of his connections and wealth and is forced to send him away In the loneliness that follows Percival finds solace in Jacqueline a beautiful woman of mixed French and Vietnamese heritage and Laing Jai a son born to them on the eve of the Tet offensive Percival's new found happiness is precarious and as the complexities of war encroach further and further into his world he must confront the tragedy of all he has refused to see Blessed with intriguingly flawed characters moving through a richly drawn historical and physical landscape *The Headmaster's Wager* is a riveting story of love betrayal and sacrifice

The Headmasters Mark Morton, 2024-02-06 How do you learn from the past if there isn't one Sixty years ago something awful happened Something that killed everyone except the people at Blue Ring Something that caused the Headmasters to appear But Maple doesn't know what it was Because talking about the past is forbidden Everyone at Blue Ring has a Headmaster They sink their sinewy coils into your skull and control you using your body for backbreaking toil and your mind to communicate with each other When someone dies their Headmaster transfers to someone new But so do the dead person's memories and if one of those memories surfaces in the new host's mind their brain breaks That's why talking about the past is forbidden Maple hates this world where the past can't exist and the future promises only more suffering And she hates the Headmasters for making it that way But she doesn't know how to fight them until memories start to surface in her mind from someone who long ago came close to defeating the Headmasters But whose memories are they Why aren't they harming her And how can she use them to defeat the Headmasters Maple has to find the answers herself unable to tell anyone what she's experiencing or planning not even Thorn the young man she's falling in love with Thorn who has some forbidden secrets of his own

The Wager Edwin Matthews, 2012-04-05 *The Wager* traces the events which take place in a tough comprehensive school on a day to day basis throughout one academic year Simon Brown the school's cynical head of science discovers that the school is overstaffed and that some teachers are to be made redundant at the end of the year He realises that he and his best friend Wilson are the prime candidates for the push Rather than informing his friend of the situation he keeps the information to himself and secretly tries to ingratiate himself with the school's new head teacher *The Wager* tracks Simon's attempts to save his own job at his friend's expense

Besides being a cynic Simon is also a gambler He and Wilson make a wager as to whether their new head teacher will survive the year Their new head turns out to be a disastrous appointment wholly without charisma and alienated from pupils and teachers alike As staff morale deteriorates and the behaviour of students worsens the ethos of the school begins to decline Throughout the turmoil Simon delivers his acerbic views on events which unfold around him Due to his gambling Simon s wife decides to leave him Not one to get depressed over such a triviality he decides to pursue an attractive young maths teacher by the name of Sophie Lawrence and strange events start to occur in Simon s life both at home and at work A laugh out loud novel packed with twists and turns The Wager will appeal to fans of comic fiction we bet it will make you chuckle Edwin is inspired by J D Salinger Joseph Heller and Ken Kesey *The Headmasters Papers* Richard A.
