The Holograms Handbook Star Trek Voyager:

The Hologram's Handbook Robert Picardo, 2002 The essential guide to the everyday interaction between the holographic and biological Written with the dry wit and humor that he brought to the portrayal of the Doctor Robert Picardo shows why his character was so popular with the Voyager audience *Star Trek: The U.S.S. Voyager NCC-74656 Illustrated Handbook* Ben Robinson, 2020-07-14 Captain Kathryn Janeway's Starship Voyager Lavishly illustrated with detailed technical information this third volume in the Illustrated Handbook series features the U S S Voyager from the hit Star Trek TV series The perfect gift for the Star Trek fan in your life This Star Trek Illustrated Handbook is an in depth illustrated guide to the U S S Voyager NCC 74656 using detailed artworks of key locations including the bridge sickbay and main engineering plus its shuttlecraft equipment and the Delta Flyer This book explores the technology and science behind Janeway's ship and how it was adapted to meet the demands of the Delta quadrant With illustrations and technical information from official sources this book provides an extraordinary reference guide to this iconic ship *The Routledge Handbook of Star Trek* Leimar Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies *Holograms* Sean Johnston, 2016 Holograms have been in the public eye for over a half century but their influences have deeper cultural roots No other visual experience is quite like interacting with holograms no other cultural product melds the technological sublime with magic and optimism in quite the same way As holograms have evolved they have left their audiences alternately fascinated bemused inspired or indifferent From expressions of high science to countercultural art to consumer security holograms have represented modernity magic and materialism Their most pervasive impact has been to galvanise hopeful technological dreams Engineers artists hippies and hobbyists have played with and dreamed about holograms This book explores how holograms found a place in distinct cultural settings It is aimed at readers attracted to pop culture visual studies and cultural history scholars concerned with media history fine art and material studies and most of all cross disciplinary audiences intrigued about how this ubiquitous but still mysterious visual medium grew up in our midst and became entangled in our culture This book explores the technical attractions and cultural uses of the hologram how they were shaped by what came before them and how they have matured to shape our notional futures Today holograms are in our pockets as identity documents and in our minds as gaming fantasies and faux hologram

performers Why aren't they more often in front of our eyes **Star Trek Voyager Companion** Paul Ruditis, 2003 A companion to the popular syndicated television show offers a complete show by show guide to the series including plot summaries and behind the scenes details *Holographic Visions* Sean F. Johnston, 2006-04-06 Holography exploded on the scientific world in 1964 but its slow fuse had been burning much longer Over the next four decades the echoes of that explosion reached scientists engineers artists and popular culture Emerging from classified military research holography evolved to represent the power of post war physics an aesthetic union of art and science the countercultural meanderings of holism a cottage industry for waves of would be entrepreneurs and a fertile plot device for science fiction New working cultures sprang up to mutate holography redefining its products reshaping its audiences and reconceiving its applications The outcomes included ever more sublime holograms and exquisitely sensitive measuring techniques but also priority disputes prurience and poisonous business rivalries New subjects cross intellectual borders and so do their explanations This book draws on the history and philosophy of science and technology social studies politics and cultural history to trace the trajectory of holography The result is an in depth account of how new science emerges Based on unprecedented interviews with pioneer holographers and extensive archival research it reveals how science technology art and wider culture are entwined in the modern world **T&T Clark Handbook of Jesus and Film** Richard Walsh, 2021-01-14 The T and 2 other cinematic Jesuses including followers who imitate Jesus devotionally or aesthetically Christian Christ figures antichrists yet other messiahs and competing Jesuses in a pluralist world As one leaves the confines of Christian theology the question of what a film or interpreter is doing with Jesus or Christ becomes something to be determined not necessarily something traditional **21st Century Communication: A Reference Handbook** William F. Eadie, 2009-05-15 Highlights the most important topics issues questions and debates affecting the field of communication in the 21st Century *The Palgrave Handbook of Popular Culture as Philosophy* Dean A. Kowalski, Chris Lay, Kimberly S. Engels, 2024-04-30 Much philosophical work on pop culture apologises for its use using popular culture is a necessary evil something merely useful for reaching the masses with important philosophical arguments But works of pop culture are important in their own right they shape worldviews inspire ideas change minds We wouldn't baulk at a book dedicated to examining the philosophy of *The Great Gatsby* or 1984 why aren't *Star Trek* and *Superman* fair game as well After all when produced the former were considered pop culture just as much as the latter This will be the first major reference work to right that wrong gathering together entries on film television games graphic novels and comedy and officially recognizing the importance of the field It will be the go to resource for students and researchers in philosophy culture media and communications English and history and will act as a springboard to introduce the reader to the other key literature in the field **The Star Trek Encyclopedia** Michael Okuda, Denise Okuda, Debbie Mirek, 2011-05-17 From *Audet IX* to *Zytchin III* this book covers it all This is the ultimate reference book for all *Star Trek* fans Added to this edition are 128 new pages This addendum highlights the latest episodes of
