The Horsefly Chronicles A Demonic Haunting:

The Horsefly Chronicles Phil Siracusa, 2014-05-12 This is based on a true story of Phil Siracusa. He remembers being in heaven with loved ones; he was circled by something and was pulled into the darkness of hell. He remembers being tortured with thousands of others and the horrible pain that he felt. With his strong faith, he was pulled into the light of God. He knows this, and he was born. During adolescence, a spiritual attachment followed him. He was separated by both good and evil and had choices to make. As he grew up, he had visitors from the other side who gave him visions of what was to come in his lifetime. When he became a young adult, he sought out to understand more about the paranormal world and how the other side was able to communicate with him. In his early 20s, he slowly turned to organized crime with the mob. After they found out about his gift of being able to communicate with the other side, he gets in way over his head. Phil's journey to this very day continues. This book will take you to places far beyond your imagination. You will feel the presence of evil that still lingers in the air, so sit back and take a seat to read this page-turner series that exceeds any horror book or movie that has ever been written.

The Curse of the Horsefly Chronicles Phil Siracusa, 2015-01-22 THE MOST INFAMOUS DEMONIC HAUNTING IN RECENT YEARS This is an awesome but disturbing read. A fight between good and evil that will draw you in and make you believe in demons and demonic possession. You will definitely question every strange noise and bump in the night. This book will keep you on the edge of your seat and leave you wanting to know what's next from the author. These happenings are very real and very true. I can attest for that; my experience is shared in one of the chapters. Unlike anything I've ever read, haunting and mesmerizing. Five stars because of the pull the book or author had on me. Scary beyond belief gives you chills; you're afraid to read it, but you have to keep going. The true life demonic haunting that surrounds Phil Siracusa and those around him. Never before has a demonic haunting been so widespread. Read all the heart-stopping moments in a diary-like style that makes the reader feel as if they are really there. EVIL FINDS ITS WEAKEST LINK.
