A Stunning World of Faith, Family, and Friendship and The Unforeseeable Ronald C. Leadbetter, 2023-04-26 Much of the world we live in is perceived by many as dangerous and unfriendly Well into his early adulthood the author thought so to the extent that he had little interest in traveling outside the boundaries of his homeland He certainly lacked any interest whatsoever in traveling overseas While the author travelled extensively throughout the United States for work related as well as personal purposes preplanning of trip details was the norm Assistance of tourist agencies was utilized regularly in order to assure comfort and safety Overnight accommodations were almost always prearranged All plans focused on assuring comfort and convenience While the author proclaimed Christian faith early in his professional career that proclamation did not extend to sharing that faith with others outside the

United States or even locally outside the author's comfort zone. The author refrained from personally interacting with people of unfamiliar cultures let alone those in foreign locales deemed difficult or even impossible to reach and interact with. Then an incredible transformation took place in the author's life. Roughly thirteen years into the author's professional career his fear of the unknown and unfamiliar cultures was miraculously removed from his being. Shortly after his staunch commitment to advance planning of trip details was eradicated little by little. Following the removal of fear of the unknown from the author's persona he was time and again drawn into experiences falling further and further outside his previous comfort zone. Over time the author was increasingly blessed with amazing new friendships overseas wonderful ties with families abroad and incredible faith sharing opportunities in foreign lands independent travels that have taken him to nearly ninety countries worldwide. Ron's amazing interactional experiences were regularly intertwined with stunning events most would describe as unpredictable inconceivable or even impossible and virtually always unforeseeable. Hence the title of this book *A Stunning World of Faith Family and Friendship and the Unforeseeable*. In many instances the experiences described in these pages might appear to be grossly exaggerated or even fabricated. Hence the inclusion of numerous photos documenting the stunning truth. *Till Then My Love Forever* Donald Scioscia, Donald Maclaren, 2004. I BELIEVE DIVINE INTERVENTION HELPED SAVE MY LIFE. Other people may call it being lucky beating the odds or a twist of fate. But there was one day in my life one dramatic moment that determined whether I would live or die. The intervention came so dramatically I thought that what happened must have been from God. Amazingly it was not a doctor who rescued me from death. Instead God sent the most famous Wall Street financier and philanthropist at the time who met with presidents of the United States. His name was Bernard M. Baruch. Now that I'm in my seventies I have the luxury of looking back and trying to understand why God gave me a long life what I like to call the mystery of life with a little intervention from Mr. Baruch. Why did God let me live? That is an interesting question only because I never became as wealthy or famous as Mr. Baruch.
