William Hodgson,2018-01-14 Many are the hours in which I have pondered upon the story that is set forth in the following pages I trust that my instincts are not awry when they prompt me to leave the account in simplicity as it was handed to me And the MS itself You must picture me when first it was given into my care turning it over curiously and making a swift jerky examination A small book it is but thick and all save the last few pages filled with a quaint but legible handwriting and writ very close I have the queer faint pit water smell of it in my nostrils now as I write and my fingers have subconscious memories of the soft cloggy feel of the long damp pages I read and in reading lifted the Curtains of the Impossible that blind the mind and looked out into the unknown Amid stiff abrupt sentences I wandered and presently I had no fault to charge against their abrupt tellings for better far than my own ambitious phrasing is this mutilated story capable of bringing home all that the old Recluse of the vanished house had striven to tell *The House on the Borderland Illustrated* William Hope

The House on the Borderland William Hodgson,2010-10-08 The House on the Borderland is a supernatural horror novel by British fantasist William Hope Hodgson In 1877 two gentlemen Messrs Tonnison and Berreggnog head into Ireland to spend a week fishing in the village of Kraitghten On the third day of their trip they travel down stream of the river in the opposite direction to the one that they had been travelling insofar and stumble upon a large chasm with what appears to be the ruins of a very strangely shaped house on the edge of it of it As they explore the stone ruins of the house they discover a mouldering journal that describes the last days of the man who owned this house before it was destroyed They go back upstream to their fishing camp and begin to read the strange tale of the man his name is never revealed The manuscript begins with a discussion of how the man came to own the house and how he lives his daily life with his sister and his faithful dog Pepper He confides that he is starting the diary as it will contain a record of all the strange experiences and horrors that had recently happened in and around the house This is a classic novel that worked to slowly bridge the gap between the
