The Illustrated Secrets Of Enoch:

The Illustrated Secrets of Enoch Enoch, 2014-12-27 One might ask why there is so much interest in this obscure little apocryphal book written under the assumed name Enoch If we look at the book of Luke where Jesus is describing for His disciples the time of His return in Luke 17 26 Just as it was in the days of Noah so will it be in the days of the Son of Man They were eating and drinking and marrying and being given in marriage until the day when Noah entered the ark and the flood came and destroyed them all We may want to know in greater detail just exactly what it was like during the time of Noah Reading the first chapter of the Book of Enoch we find Enoch a righteous man whose eyes were opened by God saw the vision of the Holy One in the heavens which the angels showed me and from them I heard everything and from them I understood as I saw but not for this generation but for a remote one which is for to come Concerning the elect I said and took up my parable concerning them The Holy Great One will come forth from His dwelling and the eternal God will tread upon the earth even on Mount Sinai and appear from His camp and appear in the strength of His might from the heaven of heavens So not only does Luke and Mathew for that matter tell us that Jesus return will come at time like the time of Noah and the flood but the Book of Enoch begins by telling us it is written not for those of Enoch s generation but for a generation in the distant future when the Holy Great One will tread upon the earth and He will appear in the strength of His might from the Heaven of Heavens From The reference in the Letter of Jude 1 15 quoting Enoch regarding the return of Jesus to the passages in Mathew and Luke regarding the time of Christ s return to be like the time of Noah and considering Enoch s claim to be written for the elect of the generation alive during the time of the Holy Great One s coming to Earth I believe the Book of Enoch deserves a serious read

The Social Record of Christianity Joseph McCabe, 2000-04 Includes *The Lies and Fallacies of the Encyclopedia Britannica* Shows how Christianity has controlled the functions of society Western civilization has been dependent upon the Christian religion for its ethical and moral teachings and ultimately its conduct McCabe demonstrates however that the moral and ethical conduct of western civilization was never good and the chief cause of this has been Christianity The Renaissance was a rebirth or revival of art literature and learning with the major catalyst being Martin Luther's rebellious breakaway from the Church in 1524 It could not get started until the old ways of suppression were shaken and today it has still not happened completely We still hang on to this socially repressive system according to McCabe because it continues to function as an authority *The Lies and Fallacies* continues this theme documenting an effort by clerical forces to remove certain historical facts surrounding Christianity Shows exactly how and why vital facts were either doctored or removed from the encyclopedia to cast Christianity into a
