

The poster features a large, close-up image of a woman's face, which is split vertically down the middle. The left side of her face is in shadow, while the right side is brightly lit. She has dark, dramatic eye makeup and bright red lipstick. The title 'THE INHERITORS' is written in large, white, serif capital letters across the center of her face, with the word 'THE' positioned above 'INHERITORS'. Below the face, the background transitions into a sunset scene with silhouettes of palm trees and a dark, rocky foreground.

Collaboration is a complex cultural and political phenomenon the combined practice of two or more artists simultaneously or across time or the willing and therefore publicly reprehensible collusion implied by the term s specifically historical meaning These interdisciplinary essays propose collaboration as a strategy for ensuring creativity within a dynamic tradition and as a

means of mutual enrichment both between individuals and between disciplines Writers from Chaucer to Wilde and Conrad are considered in this context together with medieval iconography and German Romanticism Yet collaboration as collusion and coercion are also implicated in diverse political and cultural agendas informed by xenophobic and exclusive rather than inclusive ideologies Their impact spreads beyond the lives and minds of individual artists and individual texts to touch on the relationship between the citizen and the state whether writers from the losing side the immigrant in Italy writers who supported Fascism or the Roma in Britain **Sale** American Art Association, Anderson Galleries (Firm),1923
