God's Warriors David T. Peckham, 2012-03-07

The early Christian church faced persecution from several different sources, primarily that of Judaistic sympathizers such as Hellenistic Jews, Greek Jews, and the Roman Empire. This persecution gave rise to men and women who would rather face death than deny Yahvashua, whom we call Jesus. Many suffered excruciating death by burning, beheading, crucifixion, or as entertainment in the Roman Colosseum. There, they were forced to fight trained and experienced gladiators or face starving wild animals. Few survived their first encounter. During this period of time, men whose names have survived to this day fearlessly preached and taught the Word of God, knowing at any moment they could be arrested for blasphemy against the emperor, the self-proclaimed god of Rome. Such a man was Polycarp. Little is known of Polycarp, however, that which is known spurs the imagination. More is recorded of his death than of his life. *God's Warriors* is a story of Polycarp and Flavius, a young tribune in the Roman army whose first assignment is to squelch the riots allegedly perpetrated by Christians in Smyrna. His eventual contact with the Bishop of Smyrna changes his life to the extent that Rome places him on its list of traitors, a crime punishable by death.

God's Warriors Kenneth Burton, 2008-08

God's Warriors, are you on God's team? Is your life being lived to the fullest in the Lord? Is your Christian walk matching your talk? Or are you part of the growing number of dead souls sitting between four walls with no clue how to really get to heaven? Or do you know how to get to heaven and still not living the life that God has for you? If you are open, read and be blessed.

God's Warriors Thomas J. Fleming, 1916-12-01

God's Warriors challenges the assumption that most religious violence stems from marginalized groups contending, instead, that dominant and privileged religious majorities are the primary source. As countries have developed alliances between historically and culturally dominant religious communities and the state, they have emboldened extremists from privileged religious communities to attack minorities. This has produced a paradox of privilege which today afflicts all the major religious traditions around the world.

God's Warrior Dorothy Cave, 2011

Fellow priests called his ministry just short of a miracle. A superior castigated him as an adventurer. Apaches and migrant Mexicans claimed him one of us. To his fellow soldiers, he was a man's man. Of himself, he chuckled, "I've been in mischief all my life." He was Father Albert Braun, OFM. In turn, mule-headed, explosive, or penitent. Vigorously outspoken, he once charged a group of August bishops to get off your butts and out among the people. His sense of duty was profound, his humor crusty. He arrived in New Mexico as missionary to

the Mescalero Apaches just after Pancho Villa's raid was a highly decorated chaplain in both World Wars and after World War II he participated in the top secret birth of the first hydrogen bomb on a south Pacific atoll. Drawing on archival and military records, letters, memoirs, and interviews, Dorothy Cave chronicles the amazing life of this last of the frontier priests from his birth in the lusty, brawling California of 1889 to his death and burial in 1983 in the church he built for his beloved Mescaleros. This book is at once a biography and a kaleidoscopic history of the tumultuous times in which he lived. From it there emerges the inspiring saga of a man who changed thousands of lives with faith, humor, dedication, and a generous dash of pure, hard-headed cussedness. Dorothy Cave spent much of her childhood exploring with her geologist father the isolated villages and mountains of northern New Mexico, a practice she continues today. Although her formal education was at Agnes Scott College and the Universities of Colorado and Wyoming, she feels her true education has come from these remote but rapidly vanishing hamlets and pueblos and from the soil-rooted wisdom of those who live in them. Cave has traveled widely, danced with the Atlanta Ballet, acted, and taught. She is the author of two histories, *Beyond Courage*, which won the New Mexico Presswomen's Zia Award and *Four Trails to Valor*, both from Sunstone Press. Her two novels, *Mountains of the Blue Stone* and *Song on a Blue Guitar*, were also published by Sunstone Press. Cave served as historical consultant for two documentary films, *Colors of Courage*, produced by Scott Henry and E. Anthony Martinez for the University of New Mexico's Center for Regional Studies, and for Aaron Wilson's award-winning *A New Mexico Story*, based largely on her *Beyond Courage*. She appears in both films as narrator/commentator. *Beyond Courage* also inspired composer Steven Melillo's musical opus of the same title, acclaimed on two continents.

Lonely Heart in Turmoil Xue Hong, 2020-09-18 don't have intro [Words for Warriors](#) Diana Paxson, 2012-06-24 Throughout the current modern heathen revival, many satr/ar heathens, Odinists, and fellow travellers following the proud warrior traditions of the ancient North have served in the United States Armed Forces. Diana L. Paxson, author of *Essential satr* and *Taking Up the Runes*, has joined forces with Troth members who are active and retired military personnel and their families from across the US and Canada to provide inspiration, counsel, and comfort from the lore of our faith, as well as practical advice on how to apply that in a military setting. Chapters cover our Gods and Goddesses, ethics and virtues, runes and protections, legal and practical issues, adjusting to post-combat life, and advice for chaplains. Sized to fit comfortably in a pocket, *Words for Warriors* can go anywhere an active soldier, sailor, airman, or marine can, and hopefully come back with them as well.

Aztec Mythology Matthew Fillard, The Aztec Empire, one of the most powerful and complex civilizations of Mesoamerica, was not only remarkable for its military conquests and grand architecture but also for its deeply spiritual and mythological worldview. At the heart of Aztec society was a profound belief in the gods and the sacredness of ritual, which governed everything from daily life to the empire's grandest ceremonies. Aztec mythology, rich with gods, cosmic battles, and creation stories, shaped the culture and practices of this ancient civilization. Understanding Aztec mythology is essential to understanding the values, actions, and worldview of the Aztec people, as it provided the

framework within which they interpreted their world and their place within it Aztec myths are not just stories of gods and heroes they are a reflection of the Aztec s relationship with the cosmos nature and each other These myths explained the origins of the world the cycles of life and the creation of humanity often with gods battling forces of chaos and death to establish order and balance The gods were not distant abstract figures they were seen as active forces in the world deeply involved in the lives of the people To the Aztecs the gods gave life and demanded nourishment in return This divine reciprocity was central to the practice of sacrifice both human and material which played a crucial role in maintaining the balance of the cosmos and ensuring the favor of the gods
