a close analysis of texts from the early Rig Veda to the Brahmanas and the Puranas it discusses different view points in a balanced perspective and attempts to drive the discussions towards the emergence of a consensus view The author delineates the various phases of Sarasvati s evolution to establish her unique status and emphasise her continued relevance in the Hindu tradition The book argues that the practice of pilgrimage further evolved after its association with the river Sarasvati who was perceived as divinity personified in Hindu tradition This in turn led to the emergence of numerous pilgrimage sites on or near her banks which attracted a large number of pilgrims A multifaceted and interdisciplinary analysis of a Hindu goddess this book will be of interest to academics researching South Asian Religion Hinduism and Indian Philosophy as also the general readers *Catalogue of Printed Books in the Sanskrit College Library* Sanskrit College (Kolkata, India). enthralled for centuries alluring the attention of such luminaries as Ernest Hemingway William Faulkner and F Scott Fitzgerald Skulls and Keys traces the history of Yale s societies as they set the foundation for America s future secret clubs and helped define the modern age of politics But there is a progressive side to Yale s secret societies that we rarely hear about one that in the cultural tumult of the nineteen sixties resulted in the election of people of color women and gay men even in proportions beyond their percentages in the class It s a side that is often overlooked in favor of sensational legends of blood oaths and toe curling conspiracies Dave Richards an alum of Yale sheds some light on the lesser known stories of Yale s secret societies He takes us through the history from Phi Beta Kappa in the American Revolution originally a social and drinking society through Skull and Bones and its rivals in the nineteenth and twentieth centuries While there have been articles and books on some of those societies there has never been a scholarly history of the system as a whole Academy with which are Incorporated Literature and the English Review ,1876
