

A photograph of an elderly man with a white beard, wearing a white thobe and a white ghutra, standing on a rocky hill. He is performing a prayer gesture with his hands clasped together. The background shows a vast landscape with a city visible in the distance under a bright, hazy sky at sunrise or sunset. The sun is a bright yellow orb in the upper left, casting a warm glow over the scene. The man is positioned on the right side of the frame, looking towards the left.

The Good Muslim:

The Good Muslim Mona Siddiqui, 2012-06-11 In this thought provoking book Mona Siddiqui reflects upon key themes in Islamic law and theology These themes which range through discussions about friendship divorce drunkenness love slavery and ritual slaughter offer fascinating insights into Islamic ethics and the way in which arguments developed in medieval juristic discourse Pre modern religious works contained a richness of thought hesitation and speculation on a wide range of topics which were socially relevant but also presented intellectual challenges to the scholars for whom God's revelation could be understood in diverse ways These subjects remain relevant today for practising Muslims and scholars of Islamic law and religious studies Mona Siddiqui is an astute and articulate interpreter who relays complex ideas about the Islamic tradition with great clarity Her book charts her own journey through the classical texts and reflects upon how the principles expounded there have guided her own thinking teaching and research

Good Muslim, Bad Muslim Mahmood Mamdani, 2005-06-21 In this brilliant look at the rise of political Islam the distinguished political scientist and anthropologist Mahmood Mamdani brings his expertise and insight to bear on a question many Americans have been asking since 9 11 how did this happen Mamdani dispels the idea of good secular westernized and bad premodern fanatical Muslims pointing out that these judgments refer to political rather than cultural or religious

identities The presumption that there are good Muslims readily available to be split off from bad Muslims masks a failure to make a political analysis of our times This book argues that political Islam emerged as the result of a modern encounter with Western power and that the terrorist movement at the center of Islamist politics is an even more recent phenomenon one that followed America's embrace of proxy war after its defeat in Vietnam Mamdani writes with great insight about the Reagan years showing America's embrace of the highly ideological politics of good against evil Identifying militant nationalist governments as Soviet proxies in countries such as Nicaragua and Afghanistan the Reagan administration readily backed terrorist movements hailing them as the moral equivalents of America's Founding Fathers The era of proxy wars has come to an end with the invasion of Iraq And there as in Vietnam America will need to recognize that it is not fighting terrorism but nationalism a battle that cannot be won by occupation Good Muslim Bad Muslim is a provocative and important book that will profoundly change our understanding both of Islamist politics and the way America is perceived in the world today

Becoming 'Good Muslim' Bulbul Siddiqi, 2017-11-28 The book uses an ethnographic approach to explore why the Tablighi Jamaat movement remains so successful in contemporary times It shows that this success results from the positive image that it cultivates and the systematic preaching activities of Tablighi Jamaat followers and that the organisation's apolitical image the public profile of the ijtema the humbleness of Tablighi followers and the attraction of belonging to the global Tablighi community all help to create a positive image of the Tablighi Jamaat among ordinary Muslims The book also argues that the Tablighi Jamaat remains successful because of its ability to hold its followers within a Tablighi guided life which is perceived as protection against the Western lifestyle Many elements of contemporary Western lifestyle are considered non Islamic and so by clearly defining what is Islamic and non Islamic in modern society the Tablighi Jamaat provides a way in which Muslims can live in the contemporary world but remain good Muslims *The Good, Bad, and Challenging Migrant* Fatma

Haron, 2024-03-04 In post migrant societies belonging identity and transnationality go far beyond inclusion and exclusion Intersecting elements behind circulating conflicts and political narratives shape the good bad and challenging migrant Fatma Haron scrutinizes the impact of social remittances on the transnational identification process between new Tyrol and new Turkey The empirical data is gathered through ethnographic fieldwork and semi structured narrative interviews analyzing the social political and cultural influence on identification processes between Turkey and Tyrol *Good Muslim, Bad Muslim*

Mahmood Mamdani, 2005-06-21 In this brilliant look at the rise of political Islam the distinguished political scientist and anthropologist Mahmood Mamdani brings his expertise and insight to bear on a question many Americans have been asking since 9 11 how did this happen Good Muslim Bad Muslim is a provocative and important book that will profoundly change our understanding both of Islamist politics and the way America is perceived in the world today **The Good Muslim**
