Reality: Truth, Words and Love Vincent M. Riccardi,2022-08-11 The m lrange of poetry shared here develops internal connections respecting the elements of its title and the lifelong sensibilities of the author The title of the collection revolves around how

we as modern persons realize Reality as a function of Truth as revealed through the innuendo of Words and the existentialism of Love Reality Truth Words Love These elements are manifest in the most mundane and commonplace facts and phenomena through to the most arcane and erudite ideas and emotions We usually separate erudite and mundane on the one hand and facts and emotions on the other But here is an effort to mix the two extremes with each other and the in between Not included in the title is something embedded some might say implicit in the four words just discussed Time That is Reality Truth Words and Love all require or in some way depend on Time for their respective intensions and extensions as Ludwig Wittgenstein might say Time is an element of Reality and that fact is literally in the many of the poems shared here The reader should be sensitive both to the unspoken allusions to Time as well as to the spoken ones e g moments first etc Juxtaposing these elements and the circumstances of their manifestations hopefully provides a new perspective on the Life that is the Reality for us in the 21st Century Windy City Nocturne Ronald Brueckmann,2008-03-05 The place Chicago Illinois The year 1937 A city struggles to recover from the lawless legacy of Prohibition and the destructive aftermath of the Great Depression The inequities of race and social class are vast and growing In a rigidly segregated society the average citizen keeps to his own kind keeps his head down and toils just to make ends meet During this turbulent time a young European immigrant labors in obscurity deep within the teeming confines of the Pilsen district He dreams of being a professional prizefighter The young man s prospects are few until he befriends an elderly African American boxer who operates a small gym on the city s west side The old man recognizes championship potential in the boy and agrees to coach him molding him into a first class athlete Together the unlikely pair chase the elusive goal of a Middleweight Crown Across town another young man has a mentor of a different sort One who schools him in the fine art of the quick buck This boy rescued from abject poverty pursues wealth and power with ruthless zeal surrendering to the darker side of human nature Abandoning all compassion he eagerly embraces a life of crime and brutality A disillusioned Detective grappling with a deep personal grief has become obsessed with fighting crime His work has become his solace his only virtue his redemption Exceeding the bounds of his authority he fanatically persecutes the criminals of his precinct setting him on a dangerous path of confrontation and violence When these worlds collide loyalty is forsaken and heartfelt dreams are crushed A life is taken This is a tale of good versus evil of sacrifice and righteousness and love This is a story of happiness and heartbreak and darkness This Windy City Nocturne Trash Can Days Teddy Steinkellner,2013-08-20 Jake Schwartz is not looking forward to middle school Having his older sister Hannah there is no consolation The only saving grace is that Danny Uribe his lifelong best friend will be by his side Or will he The two barely have any classes together and since Danny s summer growth spurt there s been a growing distance between them Meanwhile Hannah has her own problems being Queen Bee is not easy The other girls are out for blood and boys are so exhausting Danny surprises her with his maturity and kissing skills but she knows Jake would be devastated if he knew about their relationship Dorothy Wu couldn t care less about school politics But
