God as Author Gene C. Fant, Jr., 2010-05-01 God as Author takes a thoughtful literary approach to understanding the Gospel Gene Fant writes in the preface Most of us have heard that Christ is the Author and Finisher of our faith Hebrews

12 2 so it makes sense that the Gospel would be God's story As many a church message board has noted so succinctly History is His Story In our easy discussions of special revelation I cannot help but wonder if we have missed something awe inspiring that may be revealed by a reversal of the lens that we turn toward narrative Perhaps the Gospel is not just like a story perhaps story narrative in general is like the Gospel My clear conviction is that something stands behind the power of narrative In fact I believe that Someone stands behind it There is an Author whose skill and grace imbues the broad range of the stories that we tell There is a Father who gave us a story to help us understand our place in this world a story that points back to Him His story is in many ways the only story that we know When we use that realization as a foundation for interpreting and generating narrative it changes everything including ourselves **The Final Club** Geoffrey Wolff,1990 A half Jewish outsider from Seattle must navigate the snobbery and discrimination of 1950s Princeton learning a bitter comic lesson about the way of the world **Ideology in Canadian Municipal Politics** Jack Lucas,2024-03-01 One of the most peculiar features of municipal politics in Canada is how frequently local politicians activists and scholars disagree about how to describe the municipal arena For some municipal politics is distinct from other levels of government a world of non ideological elections pragmatic and technical policymaking and issue by issue policy coalitions Others argue that municipal politics is similar to politics at other scales with persistent axes of political disagreement and a recognizable left and right This recurring debate features prominently in municipal election campaigns across Canada In **Ideology in Canadian Municipal Politics** Jack Lucas investigates municipal ideology in Canada Using data from original surveys of municipal politicians and the Canadian public the book reveals how municipal politics is clearly structured by left right ideology It shows that municipal politicians represent their constituents ideological preferences quite well they understand their constituents ideological perspectives they align with their constituents preferences and they are elected in part because of their ideological alignment with voters A lively and accessible study **Ideology in Canadian Municipal Politics** will appeal to readers interested in municipal politics political ideology and political representation **My Max Score AP English Literature and Composition** Tony Armstrong,2011 Provides test taking tips and strategies reviews topics on the test and includes a full length practice exam with answers and explanations **Excel Preliminary English** David Mahony,2003 *Teachable Moments* James V.
